Volume 21

Western and the school policies governing it are largely influenced by the city which surrounds it. Many of our residents rarely notice the glitter and glamour which constantly attracts the attention of the entire world. This remarkable publicity brings upon fantastic growth. A growth so great it surely qualifies Las Vegas as the "breakthrough" capital of the world. In November of '80 the world was shocked by the tragic fire which devastated the MGM Grand Hotel. On Independence Day '81, the hotel re-opened, becoming the safest hotel, from fire, in the world. Visitors from all over the globe flocked to Caesars Palace, this year, to witness such events as the Leonard-Hearns match, in which Sugar Ray Leonard defeated Tommy Hearns to become the universal welterweight champion, and the World Class Grand Prix, which brought victory to the Australian driver, Sir Alan Jones.

Western, a complete family, made it through another year together. Fashions, school pride, cars, weekends etc. . . . all attributed to our everlasting memories. This yearbook captures basic memories and feelings that all of us felt and our hearts contain all of the rest. We experienced new ideas, new friends, and fun times. These cherished memories are forever. (Photos by: Albert & James — 1,3,6,7,8; . Story — 2,4,9,10; M. Rubin — 11)

THE NEW

A new and renewed pride shined through Western and its students this year. Through the excitment of a long-awaited winning football team and just plain craziness, led by the senior class, the "WE" in Western once again signified the unity within our school. Our pride and spirit was expressed through the decoration of cars, the participation of our band in the traditional slow march led by John Krantz, and by every person who took the time to yell, use warpaint, dress-up, or even give an encouraging word toward Western goals. Sometimes actions spoke louder than words. Spirit building games in assemblies encouraged many people to come alive, just as many students took the time to dress-up to a different theme for each assembly. Senior Warriors proved their pride and spirit is with Western by painting their parking spaces, as all three classes showed their belief in Western by participating fully in every assembly and activity. Through our spirit, the new pride will continue.

PRIDE.....

In Las Vegas, we show a change of season by the clothes we choose to wear. This is the year of far-out, attention grabbing fashions. Mix — the basics of the late 1940's with a little space age glitter has set this year's fashion statement on a pedestal. For Laura Walsh and Kristi Richardson, evening brings into play dark velvets accented by french lace and white. Opaque tights and tuxedo pumps add the finishing touches. A variation of evening is a spanish styled scarf tucked into a matador suede belt on Marci Rubin. As night hawks, black and gold become the spotlight features. Marci and Kristi present this look with a leopard knicker jumpsuit and a more elegant bloomer style outfit both topped with gold metallic belts to add pizazz. By day we see a more casual tone. James Carter shows Calvin jeans with a sporty linen blazer. Oversized sweats for ladies and preppy toned sweatsuits for men play a big role in active playwear. As summer approaches cruise wear will hit it big. Robb Richardson sports yellow stripes tucked into bright OP shorts, and the "Navy" will have to beware of Laura and Marci with their nautical striped outfits. It is possible to create a great many looks from just a few accessories. This year's fashions offer something for everyone. (Fashions courtesy of **Bullock's,** Photos by Albert & James)

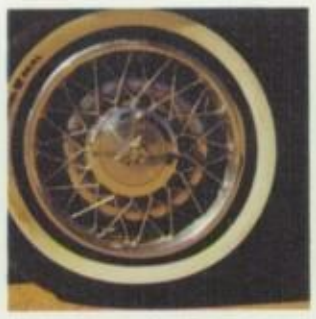
WHEELS

DATSUN 280 Z ·82· MOTORCYCLE ·82· TRUCKS ·82·



In 1982, many of us broke into the world of wheels. We discovered the joys of cruising, showing off our cars, and going places without Mom or Dad. Hours were spent telling stories about "When I fix her up . . ." We also learned about the cost of insurance, traffic citations, car repairs, and filling up a gas tank. But, for most of us, the costs were well worth the freedom and pride we gained. It was a step closer to independence, and another break into the adult world.

The proud Warriors with wheels on these pages are: 1. Trey Harris, 2. Kody Sawyer, 3. David Miller, 4. Mr. Owczarzak, 5. Chris Jacobiak, Darrin Kelley, Brett Hulet, Frank Consiglio, 6. There were pop quizzes, tests, studying, and then there were WEEKENDS!! Each Friday and Saturday held something special for everyone. It gave each person a chance to relax and kickback, away from the pressures of school. Some spent all day Saturday at the Caesars Palace Grand Prix and some just played the ol' pinball machine in the arcades. For Mike Worthen and Suzanne Fahr it was a night at home with T.V. and games . . . Father David Duran and his church of what's happenin' along with Mickey and Minnie Mouse enjoyed a Halloween night party. Seniors have fun tail-gating in the parking lot and then out to Ann Road to meet the gang. Leslie Guilland awaits the arrival of the crowd. Weekends were the main event that kept our interest in school and motivated us to do well. (Photos by: Albert & James — 7; J. McFarland — 4; M. Rubin — 1,3,5,6,8,9; J. Story — 2)

Our principal and assistant principals are not what you call ordinary. In fact, they are anything but ordinary. Call them crazy or outrageous. Dr. Cram, Mrs. Wollin, Mr. Birch, and Mr. Wolfe like to play backgammon and uno. Dr. Cram claims to be number one at uno, but Mrs. Wollin disagrees. They are a colorful, lively group.

Many drastic changes have occurred in the school board this year. Superintendent, Claude Perkins resigned from his position. Acting superintendent is Charles Silvestri. The school board has increased graduation requirements to 21 credits. Also, they have determined that students who fail profiency exams after taking those required classes, will be required to take an additional year in the subject they failed the exam in.

Western's Guardian Angels

Throughout our high school years we all at one time or another have been called or have called upon the services of one of our counselors or deans. Each of our six counselors have been busy throughout the year arranging tests, figuring out schedules, handing out scholorship information and helping us decide our future after Western. They not only help us academically, they are also our advisors in such organizations as Songleading, Modeling, and A.T. and coaches in various sports around Western. Our deans have helped maintain peace and order, which is a full time job alone, and enabled our activities to run smoothly. All of these people have played a very important part in our high school years and have every right to feel like proud parents on our graduation day.

It's More Than Just a Job, It's a Work of Art

A place where you can be as creative as you want. A place where you get satisfaction and personal pride out of something you did on your own. In Metals I, Mr. Yazvac has planned projects, such as building a tool box. In Metals II, students let their imagination run wild. Mr. Yazvac made the class even more interesting by bringing in guest speakers to talk about career choices for students.
"Everybody drives a car, so you need to know how it runs," thats the way Mr. Waldron sees it. With so many different cars to work on, you will learn everything from changing oil, to overhauling an engine. Besides helping yourself, in learning to work with cars, you may also learn to become a very good mechanic. Mr. Nagel's Wood Shop is a place where the students pride themselves on what they make and accomplish.

Students Learn the "Business" of Drafting

The Business Department has expanded a great deal this year. The newest addition was Coach Hayden's Business and Law Class. This class let students face real life problems dealing with business and law. First and second year accounting classes taught students the basic skills needed for doing income taxes and other things that they will need to know in the future. Co-Op and Work Experience gave students a chance to experience the working world and what it is like. Other classes such as shorthand, office machines, general business, and record keeping were also offered. Coach Hayden believes that these Business courses gave the students a solid business background, and since society today is run on a business atmosphere, these courses were very helpful.

Drafting classes gave students an understanding of basic architecture by teaching them the basic ideas behind designing homes. Each student completed a number of projects, including the designing of a home. By taking drafting, students widened their interest as to a future in architecture.

Sewing, cooking and cleaning are fun activities

The Culinary Arts classes this year made a big move; they moved to room 124. The Culinary Arts Department is made up of the following classes: Housing and Interior Design, Child Development, Foods, Clothing, and Independent Living. The most popular classes in the Culinary Arts Department were Clothing and Foods. These classes made very interesting things: the Clothing class made skirts, and warm-up suits, while the Foods class enjoyed making cookies.

The Pros at Prose

From Antigone to adjectives, the English Department has had a wide variety of courses available to students here at Western. While seniors prepared for college by taking Senior Composition, juniors in American Literature read some of Edgar Allen Poe's tales of suspense. As always, the regular English classes that taught students about commas, participles, and gerunds were available. Teaching sophomore English, Mrs. Chiodini was added to the conglomerate of English teachers this year. Mrs. Burrough, an English teacher, stated that her goal was to help students learn to express themselves.

The Math Department's Additions to the Future

The math department is one area of education where improvement is always taking place. Mrs. Carley was the director of the department and currator of its changes. The computer classes received the most modernization with the addition of an Apple computer system along with many other neccessary items. Improvement in teaching also had priority this year as Western ranked consistantly at the top of the state for tests. The continuing trend of quality has hightened the degree of mathematics education at Western.

Western received 3 new math teachers, Charles Stetts, Kim MacDonald and Carol Menninger, while we lost Mr. Sawin. It wasn't long before these excellent teachers became a part of "WE".

So This is What Science is All About

Students found that science classes offer more than just reading and tests — labs were an important and exciting part of all the sciences. The students got to see what they had learned and read about.

"The class enrollment was way up," commented Mr. Owczarzak, department head, who has taught science for twelve years. There is a variety of things to do in science. In zoology, students learn of the anatomy, physiology and ecology of animals, by reading and disecting. Approximately twelve days a semester was devoted to labs in chemistry. Physiology provided students with detailed information of the systems of the human body.

Social Studies: People Places and Times

Social Studies has been and always will be an important part of Western. It has been required that the students take three or more classes in this department. Social Studies covers many academic classes such as Government, which is allowed only for seniors, U.S. History, World History, now a required sophomore class, Phychology and also Family Life. The enrollment in these classes in the past years has risen sharply mostly due to the requirement of 21 credits to graduate. The teacher's methods and main concerns in this department are still to have the students learn and comprehend. Social Studies is all about people, places and times.

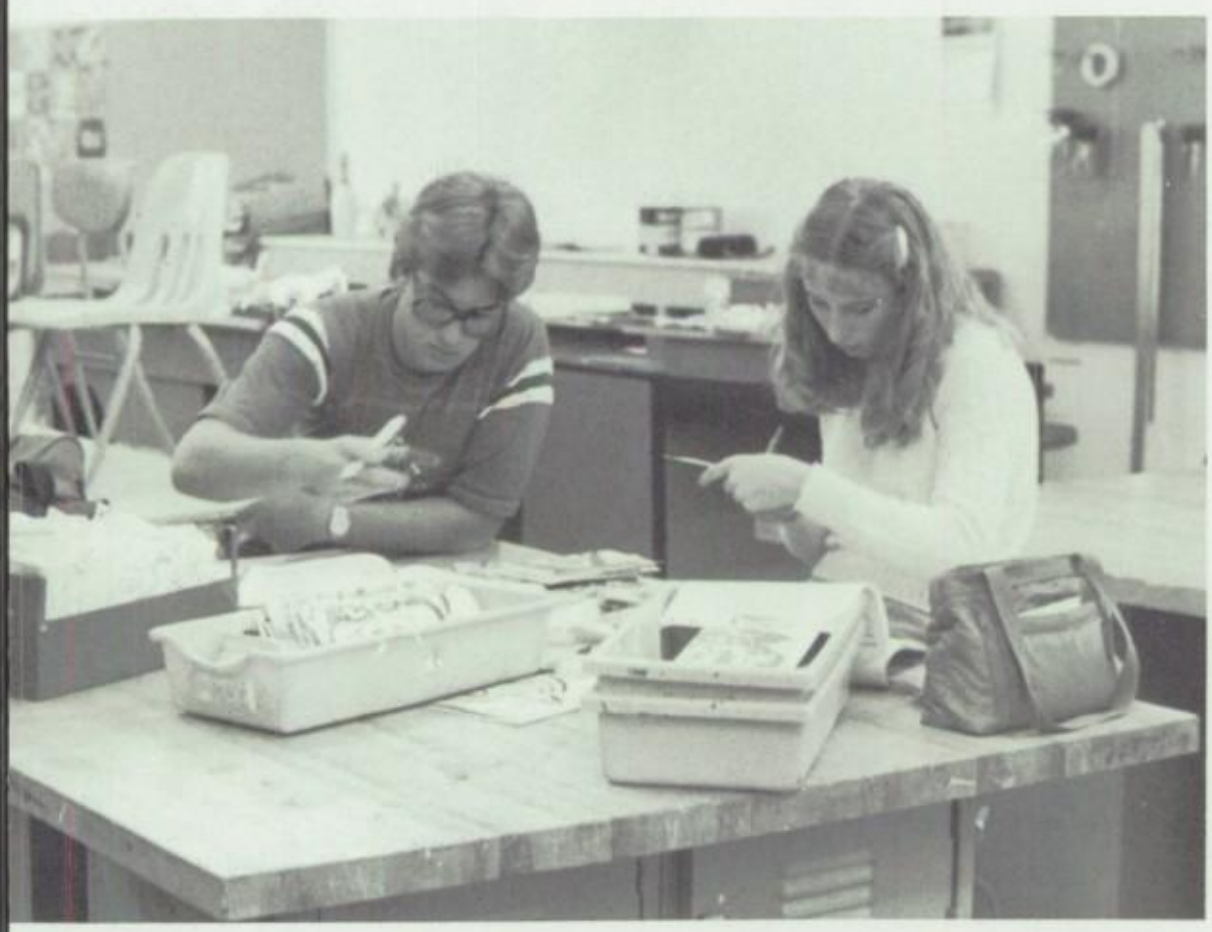
Art Class Requires Hard Work and Determination



The Arts and Crafts department of WHS was certainly not lacking in variety this year. Besides the traditionally offered classes such as painting, film, ceramics, and photography; there were many new interests. One of these was air-brushing, a process used to decorate T-shirts and Vans. These ornamented articles of clothing could be seen on many students this year. When asked about differences in the department between this year and last, art teacher Mrs. Slade remarked upon the lower number of students enrolled in art classes this year. She feels that this is due, in part, to the stricter requirements enforced by the Clark County School District. But the art department more than made up for their small number with hard work and determination, as shown on these pages.

Inspiring dramatics interpreted by acting prose

Lights! Camera! Action! Western Warriors enter stage right. Once again the thespians of Western High have achieved a dramatic breakthrough in performing. The two year old Thespian Club became an influential part of the Western tradition. Besides attending Doc' Ross' Theatre classes to improve their technical acting skill, the club members helped to promote the spirit of Western. They did this by working hard in class as well as placing well in competition. The Halloween dance and Horror House, which were sponsored by the club, proved that our Warriors have talent. It won't be long before our actors become superstars.

There is a more serious and less glamourous side to our talented actors. Each student learns and uses many different exercises and practices hard to perfect his/her technique. Many of the more serious Warriors were involved in local and regional competition. Terri Leach, Giovanna Sardelli, Venus Carter, and Tina Monda all represented Western, in competition, with the enthusiasm that could only be interpreted on the highest level of accomplishment.

Through much hard work, the madrigals and girls' glee were able to put on the annual Christmas concert. It was performed for parents and friends on December 15, to enhance the Christmas spirit. Two of their selections were performed with the assistance of the drama club. Santa Claus and his elves were also present in the Little Theater.

An invitaiton was extended to a grade school for a preview of the Christmas concert. Many Children and teachers attended this celebration.

The Meadows Mall was one of the locations of a Madrigal performance. For Christmas, the group displayed their talent for shoppers in front of Diamond's department store.

Although the pop group, Directions, didn't perform for Christmas, they had other concerts scheduled.

The vocal music department included a mixed choir-madrigal group, a pop group, and an all girls' glee. They were under the direction of musican and choral director, Mr. Garoufes.

Mr. Garoufes returned to the vocal music department this year after a short break. Because of a mix-up in the music classes, it was left to him to find a convenient way of organizing a large group into two small ones. Mr. Garoufes split the large group of singers into a madrigal and a girls' glee. He changed the girls to early bird and things were settled.

The singers and Mr. Garoufes put much into the vocal music department. They were an important part of W.H.S.

An Instrumental Breakthrough in Tune and Rhythm

Tone quality, articulation, tension, rhythm and style are not vocabulary that are common among students. In fact, not many students could actually tell one what these words meant. However, if one were to ask a band member, they would find out that they are all things that the band strives to perfect in their music. The fine groups are under the direction of a new man, Mr. Swanson (Swanny). He hopes to continue the high level of musical showmanship that Western has shown throughout its years. There are only a few performances during the year; Christmas, divisional and regional contests, and the Spring concerts. But all the time is needed to prepare and perfect the difficult music at hand. Mr. Swanson's plans have expanded the music department from one to three groups, which gives students an area to choose to perfect their talent in. The newly formed groups are: Jazz Band and Brass Choir, which performs with the choir. Exellnce is the main goal of these groups and only the hard working students can make it in this phenomenal group.

Sophomores Learn Health, P.E., and Drivers Ed

Health, Drivers Education and Physical Education are three classes that are sophomore requirements. Students learn many important things in these classes such as CPR, learning about different diseases, and how to take care of oneself. Drivers' Education is a class in driving safety and also teaches how to take care of automobiles. Physical Education is a fun class in which students participate and learn about different sports.

Silent Secretaries Successfully Run School

The office personnel at Western are very special people. Things were really hectic in the office the first few weeks of school, especially with the few staff changes, but everyone pulled together to correct the many problems with registration. Some spent many hours after school to get the problems solved as quickly as possible. They showed their spirit and pride by supporting our many endeavors and working as a team to benefit those around them. They are truly terrific people!

The Hard Working Heros of Western High School

Who arrives early and stays late? Giving their time and services, making decisions, discussing problems, and constantly working to help keep Western clean, safe, and fed? These people: cafeteria workers, security, and custodial crews. They were behind the scenes at WHS but seldom recieved recognition. Making sure students were in class, breaking up fights, filling in as temporary teachers, and enforcing school policies were the duties of the hall moniters and security officer. Custodians had a tough time keeping the school clean, as the students did not use the trash cans. Changes and innovations in the lunch program played a large part in the cafeteria scene this year.

Take An Interest

If some students did not take an interest in school government, school would be a very boring place to be. **Anthony Arrington** is a student who does take an interest.

Anthony has been a senator for one year and is this year's student body president. He also went to boy's state.

Since Anthony is our student body president, he is also a member of the Nevada Association of Student Councils where he presides as a parlimentarian.

Anthony's plans include going to college on the West Coast and majoring in Business Administration.

When asked what one person he looks up to, Anthony said, "Anyone over 5'9". But seriously, I look up to Abraham Lincoln because he had enough courage to do what he felt was right. He was a leader and not a follower."

Go Grease Lightning

When students think of getting involved during their high chool years, they usually think of joining a club or trying out or a sport or helping with the traditional homecoming activi- es. One Western Warrior did it all. Her name is **Marie rown.**

In Marie's first few years at Western, she was a JV cheer- eader, a songleader, and a yearbook staff member. In her enior year, she was head songleader, Homecoming and ctivities Editor of the yearbook, a member of the senior abnet, the National Honor Society, and this year's Home- oming Queen. Through all of these activities, Marie was ble to maintain a 3.6 grade point average.

When asked what one message she would leave for all Warriors and future Warriors she said, "You have to get nvolved, or your high school years will be wasted."

His Heart Lies With Western

He has only been living here in Las Vegas for three years, but he is definitely a Western Warrior!

OK Bryant moved here from Knoxville, Tennessee three years ago. He played football there at Farragut High School. He attributes his decision to play to a man named Paul "Bear" Bryant whom he met at the age of nine.

The one difference OK noticed between Western and Farragut was that Western has more spirit and gives more support for their teams than Farragut did.

OK's feelings for Western are expressed very deeply in the following quote: "People say that your high school memories are locked away in a closet when you graduate, but at Western, pride, the spirit, and the fun will always be there. The 'I' may be alone in the world, but the 'WE' will always be together."

Sports Minded Warrior

Football, baseball, and wrestling are the sports in which **Demetrios Dalacas** has participated. Since his freshman year, Demetrios has lettered eight times in football, baseball, and wrestling. Through all of this activity, he was able to hold a 3.5 grade point average.

School sports are not the only sports Demetrios keeps busy with. He also finds time to do some hiking, skiing, and four-wheeling.

Although, Demetrios has been very active in school sports, he does not intend to continue in college. His ambition is to go to the University of Texas at Austin and major in Business Finance and Accounting. He would like to own his own business and be financially successful.

Whooshing down any ski slope is definately **Suzane Fahr's** favorite activity. When not on the slopes Suzanne is involved in many clubs and activities. National Honor Society, international club secretary, and Senior class representative just name off a few. Modeling club and working for Scenic Airlines has also helped to keep her busy. Suzanne also takes her school work very seriously. She has maintained well above a 3.5 grade point average all three years at Western, while taking hard classes such as chemistry and English III. Suzanne has always tried to support Western in any way she could. By being active plus a good student, she has been a great example to all of us. After graduation Suzanne plans to attend U.N.L.V. for at least the first couple of years to study German.

If you think building a radio station complete with disc-jockeys and equipment sounds like fun, talk to **James Fox** he's already done it. Although it was a lot of work, James feels it was well worth it. In fact, James' (or Mike James as he is known on the air), interest and knowledge was so intent i got him a job working first for KLAV 123, and then KLUC. Besides being a discjockey, James has many other goals and interests. He is the sports section editor of the yearbook this year, and an avid lover of ham and cheese sandwiches with alfalfa sprouts. After graduation, James plans to become a lawyer because he loves to argue and debate! When asked what message he would leave to future warriors, his response was: "Keep up the spirit! Spirit and pride is what sets Western apart from all the other schools."

Besides being one of Garfields biggest fans, **Mike Gayle** seems to have a Garfield look and Grin on his face most of the time. When not thinking Garfield thoughts, Mike is an extremly busy person. Being an editor of the War Whoop, Westerns newspaper, has taken up the majority of his time, but he still finds time to be on Western's varisty bowling team and be Senior class treasurer. Mike has always taken it upon himself to work very hard on class activities, and during homecoming weeks, Mike worked tirelessly all three years helping to make award winning floats, decorating halls and helping anywhere he was needed. After graduation Mike plans on going to the University of Nevada Reno to study college life, arcitecture, and possibly journalism. Mike has been a great asset to the class of 82' and will be successful in the future.

There are many people at Western with special hobbies and interests, but **Leah Hall** is planning to make a career out of hers. Leah's goal is to become a commercial artist and someday design an album cover. She plans to study art for the first few years at U.N.L.V., and then probably transfer to a more specialized university. Leah is very busy with art here on campus. As co-artist of the homecoming back drop and designer of the zone buttons and state programs, she added a lot of color to Western. Art is not her only activity though. She was a Sophomore class senator, photographer for the yearbook staff, and a member of the art guild. Leah, who was chosen student of the month, leaves this message to Western, "follow your dreams and interests. If you really want to learn, people will help you out."

Number fourteen on Western High School's soccer team, **Cyle Iverson** has certainly proven himself to be a superior athlete — a statement proven by the fact that he has received an All Conference Honorable Mention for soccer, and has been nominated Student Athlete of the Month at Western in 1982. Soft-spoken and often quiet until you get to know him, Cyle has a good sense of humor, and is great fun to be around. He has been an active member of the student body, as National Honor Society President, a Letterman, member of AT Club, and representing Western at both Boy's State and the Sun Youth Forum.

In the future, Cyle plans to attend college, get rich, and raise a family in the mountains of Wyoming or Colorado, where he can also enjoy off-road driving.

She's Got Class!

What's red and blue and lives at Western High School? Our own **Melissa Jackson.** Just say the word 'Senior', and she'll come running — to Student Council meetings, Powder Puff practice, float building, and more. Melissa has worked many hours for the Class of '82 since she came to WHS, as Sophomore Vice-President, Junior Class President, and Senior Class President. A Yearbook Editor and Western's winner in the Century III Leadership Program, Melissa enjoys politics, and would like being a US Senator.

When she's not at Western, Melissa drives her little red VW bug to parties, the lake, horror movies, soccer games, work, and to the apartment she maintains with her sister. How does she manage it all? She says, "I'm very determined — if you set your mind on something, you can achieve anything."

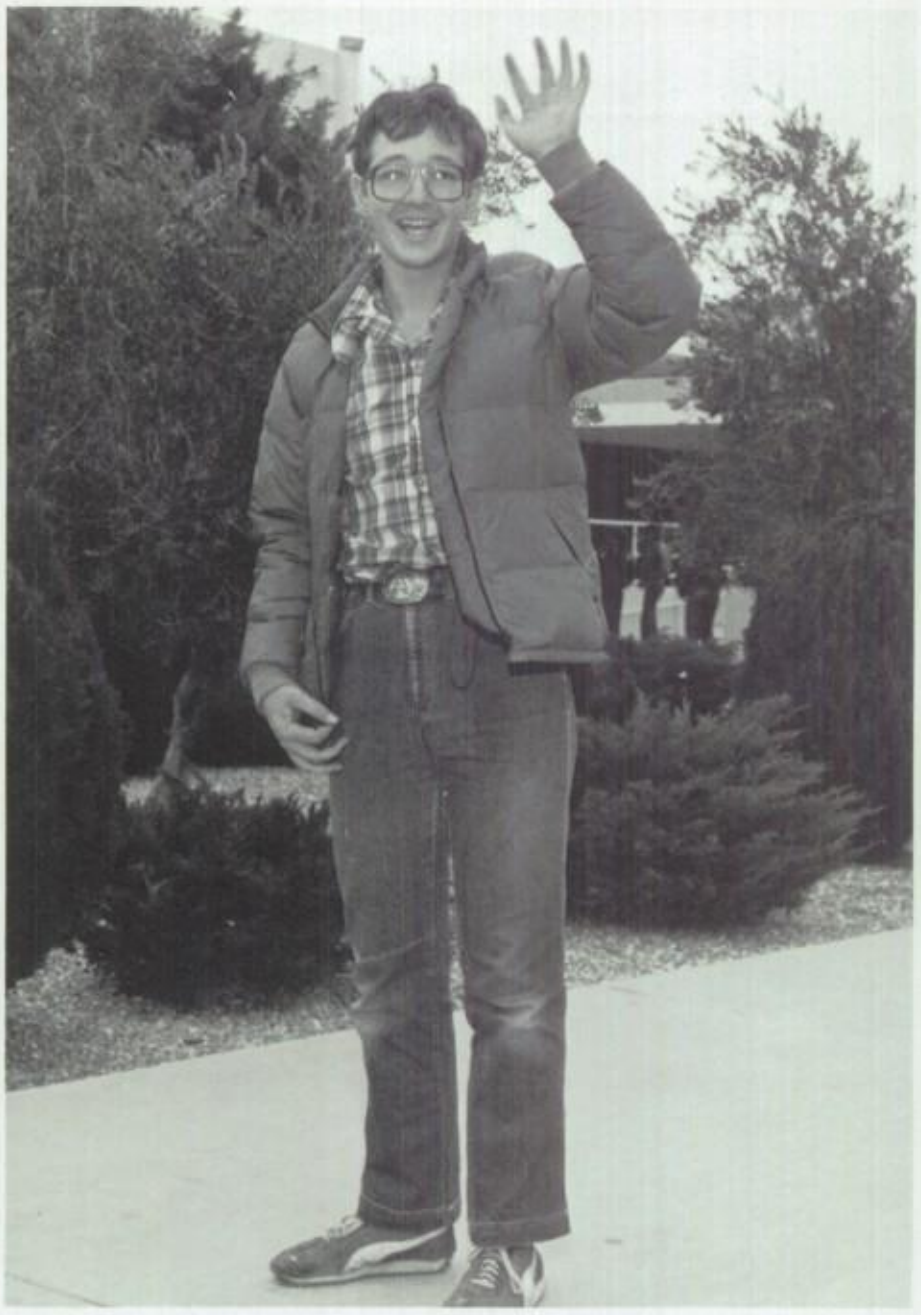
The Spirit of '82

Jumping across the gym and leading the Varsity Cheerleaders, **Stacy James** has brought a lot of spirit to WHS. Creating spirit is one thing Stacy does well — she's been a cheerleader for the past four years, and practices adagio, the acrobatic boy/girl stunts seen at college football games. But that's not all — Stacy is a member of the National Honor Society and AT Club, and has been nominated to appear in Who's Who Among American High School students in 1982.

Stacy, who laid the plans to remodel our school's office, plans to study Architectural Engineering in college. She'd also like to travel all over Europe. In her spare time, Stacy enjoys reading good books, movies, playing Atari, and drawing. When asked for her motto, she said, "Always give 100%, and keep reaching for the top!"



How Does He Manage It?

For the past three years, **Ronnie Kitchen** has been the manager of Western High School's football team, as well as our basketball team. Friendly, easy-going, and always willing to lend a helping hand wherever needed, Ronnie helped the teams by taking care of equipment, bringing the guys water, and giving constant encouragement. He also showed his spirit at all the JV and Varsity baseball and tennis games. Ronnie likes the great outdoors too, enjoying camping, hiking, and especially fishing. His favorite hobby is working with wood — he's made many projects in Western's wood shop, and would someday like to be a carpenter.

He commented on the students at Western, saying, "They have been nice to me, you're the only guys that anyone would like to have — you're so nice."

Who Else but John?

Outspoken, witty, preppy, and energetic are all words hich describe **John Krantz.** (There are many more, but ere isn't enough room here.) A three-year member of our and, John has made his presence heard by almost every HS student. His excellence on clarinet has earned our drum ajor membership in McDonald's prestigious All-American gh School Band and Clark County's Honor Band, as well as minations and invitations from other exclusive bands.

John's hobbies include seeing the Rocky Horror Picture ow, visiting El Jardin and the Rathskellar, and running out gas in his MG. In the future, John plans to attend Harvard nd become a rich ophthamologist, own a penthouse in entral Park, and drive a Mercedes. When asked for a uote, he said, "Not being a dropout my sophomore year as been a boon to me."

Awesome Andre — Lovable Lambert!

Andre Lambert (#23) is one of the most awesome running backs Western has ever had. Without Andre, going to state would have been hard. Andre has received many awards for his excellence in football, some of them are: Most Valuable Player (8th), Most Valuable Player of Sunrise Division, 2nd Team All-Conference, Player of the Year, Most Valuable Back, All-State, and he just became All-American in January. Besides playing football, Andre plays center field on the baseball team and he's also a member of the Lettermen's Club.

When asked about future plans, Andre said he wanted to attend college in Nebraska, majoring in Communications. He really hopes to play in the Pro's someday. To relax he plays basketball, jams on the drums, or listens to Sky. He says he is very good at being lazy. See ya in the Pro's Andre!

King Al — Lady Killer!

If you saw a group of girls and a guy among them, it's robably **Al Lewis.** One can't blame the girls because Al is handsome running back (#44) on the football team, a ember of the Soul Club and Lettermen's Club, on the track am, and was crowned Winter King. Since 9th grade Al has ceived many awards for football and track. A few of them re: Most Valuable Underclassmen (track), Athlete of the ear (9th), Sun Player of the week, and All-Conference Hon- rable Mention. He probably would have received more if e wouldn't have been injured in a game.

Al likes to watch TV, listen to Shalamar, and his favorite bby is chowing-down on Chinese food. He plans on tending college to major in Aeronautical Engineering. He so hopes to drive a charcoal gray 280 ZX someday. Al is a reat friend and is admired by many.

Bird gives the Bare Facts.

Lisa A. Peter

Being the Newspaper Executive Editor, Ski Club President, N.H.S. Vice President, and being a member of Senior Cabinet, International and Sailing Club, and on the Varsity Quiz can really keep a person busy. **Richard Powell** (Bird) is one of the few people that can handle it.

Bird has been awarded for various talents, they are: National Merit Semi-Finalist, N.E.D.T. 99% award, and 2nd & 3rd awards for the RJ High School Journalism Award.

Bird is a hilarious person (just look at his picture). He plans to attend college for 6 years, majoring in Business Administration. He is also talented, he draws, skiis, plays basketball, golf, and the guitar. His favorite car is a Lamborguini Countach. He likes the Police, Pretenders, and the Rolling Stones. Bird was rated 17th in his class with a 3.7 g.p.a. Keep it up Bird!

Blondes have More Fun!

Joan Racel — smart, shy, and musically talented are the characteristics that describe her. Joan is a clarinet player and is now President of the Band. Through her years at Western she has been in Honor Band, a representative (twice), a senator, Vice President of the Band, a member of Senior Cabinet and the Golf Team, and also Secretary of N.H.S. Her g.p.a. is 3.8 and she is rated 10th in her class.

One can always find Joan at Red Rock Theaters (where she's worked for 4 years), El Jardine (she could use the food), or volunteering work at a Convalescent Home. Once you know Joan, she's not at all the shy person you thought she was — she's crazy and fun to be with. She loves Hall & Oats and plans on attending UNLV.

Sherise, Western's Daisy Mae!

Sherise Reber is a dedicated, devoted, and dynamic Warrior. She's contributed much of her time to make our class the best that it can be. She started this by being our Sophomore Class President; next, she was our Junior Vice President; then, in our senior year she was Senior Cabinet President. She is a member of N.H.S., an A.T. student, and has been on the Honor Roll all 4 years. She also won Lit'l Abner & Daisy Mae along with her boyfriend, Gary Smith. Her g.p.a. is 3.6 and she placed 34th in her class.

Sherise enjoys many hobbies including: Skiing, going to motorcycle races, drawing, and tuning into Journey. She can play both the piano and violin. Her favorite car and movie is a Porche 924 and "Endless Love". Sherise plans to attend UNR — have a Blast Sherise!!

Involvement Starts Here!

"Get involved in school activities, and enjoy your high school years to the fullest," says **Kristi Richardson.** Kristi really takes her own advise too. She has been involved in student council for three years, not to mention her junior high school years. Kristi was in charge of the school scrapbook this year. She was also a member of the National Honor Society, the ski club, and was vice-president of the International club.

Kristi loves school, she practically lives there, and can't wait to become involved in college activities. She helps with political campaigns in the community, and has received many awards for being an outstanding student.

Looking forward to college life, Kristi plans to major in Computer Science. She plans to develop a career that she can be proud of.

Involvement is **Marci Rubin's** middle name. She was very active in many clubs throughout her years at Western. In her senior year, Marci was the president of the International and Modeling clubs. She was a senator in the student council, a member of the National Honor Society, a member of the tennis team, and a business editor for the yearbook.

Marci has planned to pursue a career in medicine. She took calculus in an early studies program at UNLV, but wants to further her education at UCLA, or the University of Denver.

Between going to school and working at Casual Corner, Marci enjoys weaving and batik.

"Try your hardest to obtain your goals and don't let anyone discourage you," advises Marci.

Not Just Another Pretty Face!

Many know **Glenn Spigener** by his name or good looks. Not many know the real Glenn. Glenn not only participated in atheletics, but was also an outstanding member of the band. He played the trumpet for three years for Western. In his junior year, Glenn obtained the first chair in his section of the band. He was the number one trumpet player. Best known for his atheletic accomplishments, Glenn was selected to represent Western on the All Conference football team. Glenn played football for four years and baseball for three. He was awarded most valuable offensive player in the fall of his senior year. Glenn has planned to attend college at U.N.R. He is very grateful to all the teachers who have prepared him for college, and he would like to remind all to work hard but have fun.

Computer Whiz Kid

Many people were stunned by **Curtis Stone's** knowledge of computers. Curtis worked as a computer programmer for a local firm, during his senior year. He plans to attend MIT after graduation to further his knowledge of computers.

Being a member of the National Honor Society for two years took up much of Curtis' spare time. Curtis was also a member of the chess club, and assisted in building the winning Homecoming float.

One rarely saw Curtis uptight or lose his temper for he was a very relaxed person. He often dreamed of setting up his own firm, and being his own boss.

Curtis' main motto was to work for what you want, but don't forget to enjoy yourself too.

Billie Jo Equals Leadership

"School is a waste if you don't get involved," says **Billie Jo Edwards.** Billie Jo obviously believes this as she has been extremely involved in Western. Being an outstanding member of R.O.T.C. has been her biggest activity. She has participated in the marching drill team, briefing team, and this year she served as the Squadron Commander. School work has also played an important part in Billie Jo's life. After high school Billie plans to continue her education at Brigham Young University majoring in engineering or business. To help her become a good leader, Billie Jo attended leadership camp last summer where she took eight hour classes during a week long seminar. With all the things Billie Jo does, she still finds time to work about 25 hr. a week at Craftworks, play volleyball, bowl and watch Magnum P.I.

Laura "Oh Well!" Walsh

Does the name, **Laura Walsh** sound familiar to anyone? Well it should. Laura was very involved in school activities during her three years at Western.

Laura was a member of the student council for three years, a member of the International and ski clubs, and in her senior year she was the treasurer for the National Honor Society.

Planning to attend college at UNR, Laura wants to major in law, and lead a happy and fulfilling life. With hobbies such as skiing, motor cycles, sporting events, and shopping with friends, Laura enjoys life to the fullest.

Laura reminds everyone, "Remember that you should always do your best, because your best is all you can do, and don't get discouraged because you don't think it's good enough. Don't ever lose touch with your friends."

BREAKTHROUGH

Moments to Remember, Victories to Continue

The days of Homecoming were certainly "Moments to Remember." By the end of the week we had the memories of dressing punk, wearing jerseys, looking preppy, and showing our school pride. The senior class was the winning class in the float competition, powder puff and the Mr. Cool Contest. Although Homecoming came to a fast close, somethings are certain to go on; Western pride, spirit, with "Warrior Victories to Continue . . ."

1. Thanks to the hard work of Warriors like Kerry Gallagher and Melissa Jackson, the senior class sailed into first place in the float contest. 2. David Macias, Tom Geick, David Bruins, Brett Hulet, and Kyle Iverson give a cheer to get the crowd excited about the powder puff game. 3. One of the few quiet moments of Homecoming week is enjoyed by Vicki Newsome. 4. Mr. Burch, Ms. Wollin, Dr. Cram and Mr. Wolf show their spirit on Jersy Day. 5. At the Kick-Off Bar-b-que Chris Applegarth, Anthony Arrington, and Loren Barber share a hamburger, Ala-Fork. 6. Some proud seniors show off the winning senior hall. 7. Punk Day is always an interesting day, Malia Stewart, Valynn Fullmer and Rosemary Bowder show their versions. 8. Mike Gayle congratulates Daren Christie on being crowned Mr. Cool '81. 9. Western Warriors Come Home With Pride

Friday, October 16th was very memorable for the many people who crammed into the gym here at Western. Many felt that the Homecoming assembly was the best assembly since 1978. The alumni were awed by the amount of spirit displayed by all. Even many faculty members commented about the student enthusiasm. Everyone participated in the cheers, sang along with the songs, and had a really good time. The senior class seemed especially rowdy with the joy of seeing old friends and the thrill of winning the many competitions. Although the sophomore and junior classes were suffering from defeat, they exhibited more spirit than many of the alumni had ever witnessed. Many alumni said they could not have been prouder to come home.

Building Floats Requires Time, Hard Work, and Unity

What do flatbeds, chicken wire, plywood, and napkins make you think of? When all these factors are involved, a person thinks of building floats. Once a year people gather in great abundance to hammer wood and staple napkins.

Why do we build such things? It is the excitement of trying to have the best float, and trying to achieve the best float ever built.

This year's floats were built behind the auto shop. The classes had four days during the week to build their floats, and while building the floats, the auto shop area was a real mess. Even though it was a mess, it was well worth the time and effort everyone put in to make it a great year.

1. While Kerry Gallageher stuffs napkins, Laura Walsh looks at the competition. 2. Building a good float is serious business to Melissa Jackson. 3. Lisa Atherly and Danny Boland work together to finish the sophomore float. 4. The design of the senior float had Paul Ruston and Bryan Malone constantly working. 5. It's Friday morning and the junior float is almost finished. 6. Unity is shown by the sophomores as they build their float. 7. As everyone rushes to finish their float, things get really hectic. 8. Marie Brown Crowned Homecoming Queen

Everyone was anticipating who would be crowned homecoming queen. As the girls were chauffeured in the awesome vettes, each thought they might be picked as homecoming queen. Then as their escorts helped them out of the car, and out onto the field, they announced who Western's homecoming queen for 1981 would be. Marie Brown was crowned homecoming queen. Her first runner-up was Barbara Keemp, and second runner-up was Mary Kay Brandt. The attendants were Loren Barber, Stacy James, and Teresa McCoy. Each girl looked beautiful. Everyone was a winner.

Parade Highlights A Spectacular Homecoming Week

After long hours of hard work and preparation, the parade topped off the Homecoming festivities beautifully. While the air was filled with excitement, there existed the ever present rivalry between the classes as to whom would receive first place for their float. Enthusiastic members of various performing groups shouted spirited cheers as they rode on decorative cars. Riding on sleek corvettes donated by the Las Vegas Corvette Club, the Homecoming queen candidates present the image of southern belles. The Homecoming parade enabled everyone to show their spirit and work together as the family "WE" truly are.

1. The International Club wins first prize in the car contest by symbolizing that "WE" will always be part of Western. 2. Along with cars from other performing groups, the band car adds sparkle to the parade. 3. Decked out in the traditional costume, Corina Foster typifies the true meaning of the Western Warrior. 4. A Fairy Tale Evening to be Remembered

The Homecoming for October 16, 1981 was a prime one for Western. The Ball was held at the Spanish Oaks Clubhouse. The attendance for the Ball was somewhere between four and five hundred couples. The dress was that of very formal attire. Men wore burgandy, black, white, and grey tuxedo's. Women wore beautiful dresses that were worth anywhere from one hundred to five hundred dollars a piece. The Disc Jockey for the event was none other than Anthoney Goldsbey from KVOV, radio station. The chaparones were Mr. and Mrs. Bruce Bayne, Dr. and Mrs. Brian Cram, and Mr. Pat Hayden. The overall feelings for the Ball were ones that the seniors will always remember and cherish.

Practice and preparation pays off

The annual Powder Puff game was played on October 14th, at the Warrior Stadium. Team members and fans enjoy this tradition because it's fun, exciting and it unites classes in competition. All the girls practiced hard for weeks to be prepared for the tough, grueling game. Student coaches strived for their teams' perfection as they put forth as much effort as the players. Finally, after a long exhausting game the seniors were victorious with a final score of 26-0.

VARSITY FOOTBALL

1

As the 1981 football season approached, a sense of excitement filled the air. After a heartbreaking first game loss to archrival Clark, the team rallied back in the next two weeks against Chaparrel and Bonanza. After three weeks the Warriors were off to the best start since 1976. In the fourth week the defending state champion Gorman Gaels shattered a two game winning streak. In the first conference game Western destroyed Rancho 26-0. Overconfidence and the homecoming jinx almost shattered hopes for a division title. Again, after a stunning loss Western bounced back by rolling over Las Vegas, then losing a last minute thriller to Valley. All that was needed was a victory over Basic which sent Western to Zone. In the Zone Championship game Western faced Valley for the Southern Conference title. A highly underrated Warrior team defeated the Vikings and went on to face the Wooster Colts (8-1). The Colts were believed to be the best team to come out of the North and proved it by defeating the mighty "WE" for the state title. An injury and mistake prone Warrior team showed that the spirit and pride of a Warrior can never be defeated.

JV AND B FOOTBALL

1

The 1981-82 Western Warrior Football team had an excellent season, ending the year with a record of 6-3. Much effort was put forth by the players and with the great coaching talents of Coach McFarland, Coach Olsen, and Coach Germany, it looks like there will be some great talent joining the Varsity team next year.
The JV-B team, coached by Coach Lee and Coach Heter, also ended the year with an outstanding record of 6-3.

BOYS' CROSS COUNTRY

Pride With a Pace

The Cross Country team was coached by Dean Weible and Kim MacDonald. These Coaches led the team to a 9-3 record under the philosophy "to have as large a team as possible with all athletes being given the experience of training and competing on a regular basis." The team captains were Art Castle and Rob Sandburg. Weible felt that even though the team lacked senior experience, with only six returning athletes, they were able to do well because of their ability to enjoy workouts and to compete as a team. The team had 17 letter winners out of a team of 20. Weible also felt that Art Castle, through hard work and determination to win, was the outstanding athlete. At the other end of the rope was freshman Roaney Hoffman from Brinley. After 10 years of Cross Country, seeing improvement in the individual athletes was still very rewarding.

GIRLS' CROSS COUNTRY

1

C.C. is non-stop

With the help of Mrs. Tegano, the girls' cross country team was locally undefeated. They placed second in zone and fourth in state. The star runners were Jenny Nelson, senior and Pam Banta, sophomore. All of the girls on the team were outstanding. The girls ran everyday except Sundays. Most of the girls run all year long and stay in shape for the upcoming seasons. Each day after school the girls did warm-up exercises and then ran for two hours. They ran intervals on the sports fields and track and on the streets over a distance of eight to ten miles. Mrs. Tegano rode her bicycle along side the girls as they ran.

Mrs. Tegano has been coaching this sport for the last four years. When she came to Western, there was only a boys' cross country team and a few girls were involved with that. When asked what she liked most about teaching, she replied, "I enjoy watching the girls get involved with this sport and improving as the season goes on. I enjoy the meets because that's what the girls work for."

Shoot for the stars

Under the direction of Mr. Hall, head coach, and Mr. Ross, assistant coach, Western had what is said to be a "run and gun" girl's basketball team. Although height was one of the problems facing the team, they managed to pull it off and go to the zone tournament. Simone Perkins, captain of the team, led them to a season of 6 wins.

GIRLS' JV BASKETBALL

Biggest team ever

This year's girls' j.v. basketball team is the biggest ever. The team consists of eleven girls. Coach C.J. Hall feels lucky to even have such a big team. Their performance has been good considering it is such a young team. Emily Collins and Veronica Fleming are the team captains. The most outstanding players were Emily Collins, Veronica Fleming, and Christina Johnson. They ended their season with 4 wins and 11 loses.

BOYS' TENNIS

Lovin' it up

This years Boys Tennis team started off the season with a good record. The team had one minor disadvantage, most of the players are small built compared to most of the opposing teams. There were ten returning lettermen. They are Kent King, Brad Edwards, Tim Johnson, Hal Thorsud, Chris Politis, Matt Matherley, Steen Borg, Brent Herberlee, Peter Fenczik, and Matt Pearson. The teams most difficult game was against Clark High school. The easiest for the team was Boulder City. The team has proven that they have great strength, but yet they are a very young team.

1. Peter Fencizik thinks the game is golf as he serves Sean Collind a low ball. 2. Matt Matherley shows he knows he's good when it comes to using his forehand swing. 3. Kent King shows he's not fooling around when it comes to playing a good game of tennis. 4. Kent King shows he has class and drive. 5. Matt Matherley waits for his opponant to serve the unexpected. 6. Brent Herberlee knows when it's time to sneak in a serving hand swing. 7. Brad Edwards shows signs of grace with an overhand drive to center court. 8. Peter Fenczik thinks the ball is a birdie after a long grueling game. 9. The Team members are: Back Row, Coach Pat Hayden, Chrs Politis — junior, Brad Edwards — senior, Matt Matherley — junior, Kent King — senior, Tim Johnson — junior, Steen Borg — junior, Hal Thorsud — junior. GIRLS' TENNIS

What a smashing season!

With only seven players returning, our girls' tennis team had a very successful season. They finished the season with seven wins and three losses. Coach Hayden attributed the teams success to the fact that they were always willing to work hard. The team was very young and inexperienced, but with the help and experience of Coach Hayden, they pulled through. Coach Hayden felt that Angela Jakobiak was the most improved player. Coach Hayden has been coaching tennis for three years, and really enjoys the sport. The girls showed their true Warrior spirit by their determination when times were low, and showing everyone that age and experience do not count for everything.

1. Tracy has a lot of strength behind her swing. 2. Diana makes an excellent follow through after hitting the ball. 3. Ann really stretches so as not to miss the ball. 4. Sheila shows great form as her raquet and the ball connect. 5. Marci is making sure the ball landed in the opponents court. 6. The sun is really strong, as Diana waits for Chaparral to serve. 7. Kim is really determined to win her match. 8. With a unique style of her own, Lisa Brower waits to return the ball. 9. Jennifer is really not sure about that shot. 10. The 1981-82 girls' tennis team consists of: Front row — Sheila Matherly, Beth Perrey, Jennifer Westin, Angela Maniaci, and Lisa Brower. Back row — Tracy Ruymann, Mary Boland, Kim Lathan, Angela Jakobiak, Anne Fallon, Diana Davis, and Coach Hayden. 11. Angela and Anne discuss their stratedgy with Coach Hayden. BOYS' GOLF

They don't putt around!!

The men's golf team finished with a rewarding season this year. Led by Coach Shelton (head coach) and Mr. Welch (assistant coach), the eleven man team had many enjoyable and exciting matches. The matches were played at different golf courses throughout Las Vegas area, with their steady home course being the municipal golf course. The four returning players were definitely assets to the team. They were: Eddie Arthur, Kent King, Mike Starks, and Mike Woofter. The team was honored to have David Felix, a foreign exchange student from Mexico join the team this year. Coach Shelton commented on the only new senior player this year, Joe Cielak. He has really done a terrific job. Coach Shelton is extremely proud of this year's men's golf team because they tried their hardest and had a great time doing so. Good work, golfers!!!

1. In a change of atmosphere, our exchange student from Mexico, David Felix, experiences one aspect of American sports. 2. Going for a hole in one, Joe Cielak shows us his unmistakable style on the golf course. 3. Shooting the breeze, Matt Matherly and Mark Strong take time out of their match to observe their opponents. 4. Getting a perfect line up, David Felix "tee's off." 5. With a look of absolute determination, Mike Woofter swings with the power of a pro. 6. Coach Shelton advises Mike Starks on his next match, while Mark Strong and Matt Matherly take a "Pepsi" break. 7. This years 1981-1982 golf team really deserve an immense amount of credit for their great work. The team members are: Coach Shelton, Ron Schroggins, Eddie Arthur, Joe Cielak, Matt Matherly, David Felix, Matt Pearson, Mark Strong, Artie Golenick, Mr. Welch. VARSITY BASKETBALL

Slammin' with style

Fifteen athletes were chosen from a tryout of forty for the Varsity Basketball team. Pat Green, was the captain with Darryl Bowler and Ronni Kitchen being the team's managers. Coach Stein, the head coach, saw the team's greatest strengths as being their shooting ability and quickness, and their greatest weakness as being their size. The team considered every game difficult because of the extremely balanced league this year. With the majority of the team being juniors, there is a strong and promising team for next year. The most valuable players were: Pat Green, (senior), and Michael Lee (junior). The team was coached by Coach Stein (head coach), Phil Clark, Ed Phillips, and Don Hopkins. This years' Varsity Basketball team had a truly rewarding season.

1. Manager Ronnie Kitchen takes time out to observe the game. 2. Michael Lee and Pat Green patiently await a victory. 3. Showing the crowd one of his famed slams, Michael Lee demonstrates his fantastic style. 4. The 1981-1982 Varsity Basketball team: Steve Ayala, Eddie Rainey, Mike Sprague, Steve Ewell, Gordon Lewis, Andre Davis, Dean Jahn, Darryl Hardy, Pat Green, Brian Ayala, Ellis Blackmore. (kneeling) Coach Stein, Coach Holiday, and manager Ronnie Kitchen. Not pictured — Michael Lee, Cliff Wimberly. 5. Dribbling down the court, Brian Ayala plans his next shot. 6. Going up for a basket, Gordon Lewis scores two points for the Warriors. 7. Slamming the ball is one of Pat Greens most known traits on the basketball court. 8. JV BASKETBALL

J.V. is on the move!

Hard working is how Coach Phillips described his j.v. basketball team. They practiced one and a half to two hours daily. The hard work has paid off, they led their division, and beat the toughest team — Clark! The main reason for their success is that they have a strong defense, not to mention their terrific offense. They work as a team. There is not one outstanding player, but thirteen. Coach Phillips is proud of his young team, and see's a great varsity for the future.

1. Coach Phillips goes over the plan as the team huddles together. 2. Between James Wrotten and Kirk Hartle they manage to keep up their offense against Clark. 3. Going for another basket, Keith Tolliver overcomes his Clark opponents. 4. Tracy McCoy out jumps his Valley opponent. 5. Concentration is very important when it comes to a free shot, as Bobby Trausch demonstrates. 6. It looks like Clark is ganging up on Al Daniels. 7. Another awesone basket by Paul Truman. 8. Jump Tony, jump a little higher! 9. The usual Western play. 10. Kneeling: John Scarpati, Rick Pullen, Al Daniels, James Wrotten, Keith Tolliver, Tracy McCoy, and Billy Winn. BOWLING

Bowlers strike out

The boys' and girls' bowling teams did very well this year. The boys varsity team finished the year with the second highest record ever accomplished. The boys varsity finished the year with a record of fifty-seven and a half wins and six and a half losses. This victory, Sunrise Division Champions, enabled the boys to go to the southern division roll-off. Since there is no northern division champions, whoever wins in the roll-off is considered to be the State Champions. The boys were defeated in the roll-off by thirteen pins to Valley High School. The boys' junior varsity team also did exceptionally well with a record of sixty-three wins and one loss.

The girls' varisty team did well, too. The girls suffered an injury during the year, in which they lost their anchor bowler. Even though they lost a player, they managed to take second in the Sunrise Division, with a record of forty-seven wins and seventeen losses. The junior varsity girls had a lot of hard times this year. The girls' major problem was there were never enough girls to make up a complete team. The girls' junior varsity did considerably well even though they never had a full team. They finished the year with a record of twenty-seven wins and thirty-seven losses.

Varsity achieves goals

Much controversy had been placed on the varsity soccer team. Mr. Byrnes, this year's new coach had been criticized at first, but his ten years of coaching came through. It was questionable whether the team would have a winning season. With the great coaching of Mr. Byrnes and the fine talents of the seven returning and nine new players, the team pulled off the season.

Mr. Byrnes took over the team after coaching the junior varsity last year. He became involved in soccer when he coached his children's team in 1972. Mr. Byrnes has taught high school for 10 years.

Cyle Iverson and Trey Harris were the team representatives. Their jobs were to lead in the warm-up exercises, control the teams temper and to argue and settle problems with the referees. These two players demonstrated their leadership qualities throughout the year and brought the team together.

The guys exercised and ran every week day for approximately an hour and a half a day. Alta hill was a "favorite" among the many running areas. Skills such as bouncing the ball off the head and putting it up in the air to perform this feat, were important to the success of the team.

1. In the excitement of the game Gary McKimmey slips as he kicks the ball. Mike Wilson is ready for the next move. 2. With all the running Eric Sabol does he deserves a long drink, but Mike Wilson gets impatient. 3. Accidents with team-mates do happen. Mike Wilson and Craig Hendricks collide in a rush. 4. Using your head is a technique to move the ball away from the opponent. Kevin Coombs demonstrates this maneuver with Mike Wilson ready to take over. 5. Conference time before and after a game is important to correct mistakes. Coach Byrnes plans his players' strategy. 6. Bumping the ball, Guy Perry passes it to Mike Maurice. 7. Intently watching the ball, Cyle Iverson contemplates his next move. 8. The team consists of: top — Mike Wilson, Kevin Coombs, Hal Iverson, Tony Diekamper, Cyle Iverson, Eric Sabol, Trey Harris, John Bower, Craig Hendricks, Coach Byrnes; bottom — Peter Wilson, Gary McKimmey, Sid Laousey, Troy Griffith, Trent Smith, Andy Cummings, Chris Ericson: not pictured: Mark Sullivan, and Guy Perry. JV SOCCER

J.V. is on the ball!

The junior varsity soccer team kicked off a great season with ten wins, two losses, and three ties. Western is proud of the fact that they finished first in their league. The most valuable player award was received by two team members this year: Kent Sprotbery for best offensive and Mike Wiszt for best defensive. The most imporved player was Toby Phillips. When asked about next year's team, Coach MacDonald replied that she would lose most of her players to the varsity team. "Varsity should be pretty well set," she continued. "But as for J.V., we'll be starting all over."

1

1. The team huddles with Coach MacDonald, as they plan their tricky strategy. 2. Speed and agility are important requirements for a successful soccer player, as demonstrated here. 3. The Western Warriors had Basic's Bengals on the run for most of the game. 4. A teammate watches as Kent Sprotbery steals the ball from a Basic opponent. 5. 1981-82's Junior Varsity soccer team are: (standing), Kevin Beck, Mike Wiszt, Kent Sprotbery, Tim Nooner, Jim Cook, Pat Kelly, Kyle Adoor, and Miss MacDonald; (kneeling) Danny Antonino, William Graves, Toby Phillips, Reggie Logan, and David Atkinson. Sitting, Marcus Biondi, Sean Sullivan, Pat Carmody, George Fernandez, Matt Erickson, and Rob Barilla. 6. The team practiced long hard hours, and it really payed off on the field. 7. The referee looks on anxiously as a clever pass is executed. 8. Hard-headedness is yet another requirement for a J.V. soccer player. 9. An attentive player recovers a misguided kick.

BOYS' TRACK

Dedication, desire, pain

Track is a diverse sport. There are 17 events, none of which are easy. It takes dedication, desire, and the acceptance of mental and physical pain to be a member of the track team. They practice approximately 90 minutes a day and compete with three other schools twice a week. This year's team is young and not very experienced, but competed proudly with those more experienced than themselves. Their strengths lie in the sprints — the 100 and 400. Art Castle is also one of the main strengths of the team. The main desire of the track team is to be State Champs and to bring back the tradition of winning to Western.

1. Western's relay team warms up for another meet. 2. Bonanza had better watch out for Mike Bosma as he makes his move for the lead. 3. Nobody can beat Jeff Galtney at the shot put. 4. Hurdler, Benny Flannigan, competes well under pressure. Benny begins to make his move on Valley. 5. There is no stopping Joey Boxly, Steve Collins, and Joseph Hunt when they compete with Valley. 6. Andrew Brass demonstrates the mental and physical pain involved in track. 7. Joseph Hunt makes another one of his awesome jumps. 8. Walter Wagner shows off his strength with the discus event. 9. David Taylor jumps his way to success. 10. The members of the track team are: front row: John Shively, Chris Neilson, Bobby Henderson, Maurice Harding, Terry Warner, Paul Preston, Ellis Blackmore, Steve Collins, Art Castle, Leon Hardison. middle row: Robert Anthony, Ari Leavin, Ellis Green, Monte Travis, Mike Horito, Danny Williams, Robert Albert, Joey "Little Swan" Boxly, Thurman McKinny, Andrew "J.R." GIRLS' TRACK

Reaching new lengths

This year the girls track team has shown great signs of improvement. At the warm-ups they look like real warriors, but when it comes right down to performing they make the grade as real Western Warriors.

1. Western's Women's Track back row: Coach Paul Lenae, Jill Nieman, Donna Burkhart, Kelly Thompson, Johnette Redmond, Elise Carter, Latasha Dean, Texanna Dennis, Pam Banta, Rachelle Williams, and Coach McDonald, middle row: Hiedi Hulse, Michelle Smith, Renee Washington, Tammy Cooper, Veronica Flemings, Sonia Harris, Robyn Wynn, Jenny Nelson, Wanda Taylor, front row: Cynthia Scroggins, Stephanie Shelby, Letia Smith, Angie Carter, Jacqueline Clay, Erin Paine, Telesia Blanche, Not pictured is Captain Maxine Clark, Stacy Reed, Cordelia Freedman, Kerri Stern, Yolonda Millender, Michelle Lockett, Latonya Watts, Leslie Hardison. 2. Texanna Dennis puts another out of reach. She has been a part of Western's track team for 2 years. 3. Coach Lenae helps the girls with a little instruction on warmups for the best results. 4. Here is Michelle Smith, Tesia Smith, Cynthia Scroggins, and Rachelle Williams practicing the relay, a very promising event for Western. Practice makes perfect. Their first meet they came in first. 5. Latashia Dean takes the lead in a practice run. She is a long jumper, they aslo warmup with the short distance runners. 6. Johnette Redman, sophomore, puts her strength and agility behind every shot. 7. Here comes our most promising event around the track. VARSITY AND JV VOLLEYBALL

A serving of volleyball

The Varsity Team was coached by Mr. Paul Lenae. The team consisted of 7 players, all with their own individual skills, which made up an excellent team. There was 1 senior Randi Varrato, (Captain), 3 juniors, Cheryl Blind, Kathy Pierce, (Setter), Pam Williams, (Carmel), 2 sophomores Kim Dennis, Kim Rogers and also, a first, a freshmen, Connie Aims. This year's team was the youngest in the league. They practiced 3 hours a day.

The J.V. Volleyball team had a great season. Their team was lead by their 3 juniors Lori Berry, Sheila Matherly, and Lisa Radermaker. They led their team to a victorious season of an unbelievable 15 wins and only 3 loses. Their coach was Mrs. Jelone.

1. Hands Up! Connie blocks the ball with ease; assisting is Kim Rogers. 2. Connie's form and agility is captured as she reaches for the ball. 3. Concentration and skill is the key to a good play as shown by Lori Berry. 4. ATTACK!! Pam reaches great height as she reaches for the ball. 5. Senior Randi Varrato, Captain, has a perfect pass every time. 6. Cheryl Blind goes up for spike with no difficulties. 7. Top row: Coach Paul Lenae, Cheryl Blind, Pam Williams "Carmel", Kim Rogers, Lower row: Kim Dennis, Randi Varrato, Captain, Kathy Pierce, "Setter". 8. Lisa Radermaker, Sheila Matherly and Lori Berry show team work is the only way to go. 9. Top row: Coach, Mrs. Nancy Jelone, Kay Powell, Shelia Matherly, Lisa Radermaker, Teresa George, Jeanette Redmond, Candy Musquis, Maria Altoff, manager. Bottom row: Lori Berry, Mary Boland, Tracy Dunn, Felicia Hays, Jenny Lybecker not pictured is Sherri Dean. 10. Trust is the most important thought to remember when it comes to Volleyball. As Kathy is shown passing the ball with teammates' eyes upon her. 11. Tracy Dunn, J.V. setter, watches knowingly as Jeanette goes up for a spike. 12. VARSITY BASEBALL

1

A big hit at Western

Western's 1981-82 varsity baseball team was full of the pride and spirit that is present at WHS! They had a terrific season, thanks to much strenuous practice. Out on the field everyday for four to five hours, our warrior team worked on maintaining their strengths (fielding) and improving their weaknesses (the hitting zone). According to Coach McFarland, Paul Matherly is one of the most valuable players on the team because of his exceptional pitching and fielding skills. But the whole team displayed the two characteristics needed to be good ball players: dedication and willingness to work!

2

1. Starting catcher, Jeff Slyvester, warms up at practice. 2. The Warriors' starting lineup for 1981-82 smiles for the camera. 3. Brad Edwards, first baseman, demonstrates his awesome style. 4. Covering second base, James Aulicino shows us his outstanding skill. 5. Paul Matherly, one of the team's most valuable players, works on his swing. 6 & 7. Our baseball team practiced many hours and it really paid off on the field, as shown by Andre Lambert and O.K. Bryant. 8. Frank Consiglio winds up for the pitch. 9. Shortstop, Nick Miller, concentrates on exercising his throwing ability. 10. David Compton enjoys himself at practice as he fields a grounder. 11. The 1981-82 varsity baseball team is: Coach McFarland, Pat Brenan, Mike Worthen, Mike Churchfield, David Compton, Frank Consiglio, Jim Holland, Pat Murphy, Kirk Hartle, David Dreibeleis, Rick Plunkett, Gary Parsick, Paul Matherly, Jeff Sylvester, O.K. Bryant, Brad Edwards, Andre Lambert, Demetrios Dalacus, James Aulicino, Nick Miller, Louis Valerie, Jeff Remsburg, and Coach Hayden. (Photos by Albert & James)

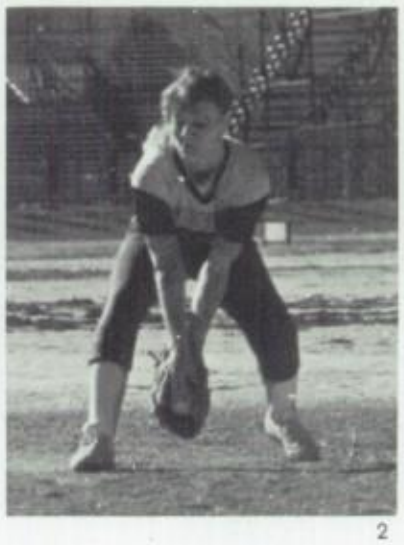
GIRLS' SOFTBALL

Softball hits it off



2

On March 1, two new softball coaches were out on the field for tryouts. Ed Phillips took over the varsity team and Charles Stetts took over the junior varsity team. Both men were experienced in coaching sports. Coach Phillips taught for fifteen years and coached for nine. Coach Stetts was new this year, but he has taught five years in junior highs, all of these five years he coached sports. The girls were in good hands.

The girls worked hard to earn one of the sixteen varsity team spaces. For the first time in a few years, the junior varsity coach had to make cuts. There were seven returning varsity players who assisted in the teams strategy.

Practice was held on week days and the games were on Tuesdays and Thursdays. The exercises consisted of running the field, running drills, batting practice, throwing the ball, and calisthenics.

1. Quick direct throws such as Jenny Wells and Michelle Smail display, help stop the opponents scoring. 2. Scooping up the ball, short stop, Michelle Smail, stops the runner. 3. Practice builds precision. Gina Presley returns the ball to home plate. 4. After making the catch, Riff Sible is ready to throw and make an out. 5. The junior varsity team consists of: top — Sonya Holland, Barbara Gann, Lisa Cantu, Kim Dennis, Helicia Riley, Kellie Bonner, Sherri Brunett, Coach Stetts; middle — Liz Wilmarth, Lynette Taylor, Jenny Lybecker, Tracy Sutherland, Caroline Little, Heather Thom; bottom — Ellen Bills, Mary Sweat, Angela Armstrong, Tishka Mead, Monica Gonzales. Not pictured — Jessica Lucier and Dawn Reeves. 6. The Varsity team consists of: Gina Presley, Connie Ames, Claudia Moore, D.D. Maddox, Tori Cornwall, Michelle Smail, Coach Phillips; middle — Randi Varrato, Kim Lathan, Leslie Fisher, Debbie Greve, Tracy "Riff" Sible; bottom — Tracy Dunn, Toni Gleeson, Emily Collins, Jenny Wells. Not pictured — Maureen Colvin. 7. At first base Kim makes the catch and tags the bag to prevent any runner from scoring. 8. Heaving the ball toward home Michelle Smail puts her heart into it. 9. For the outfield catch, Randi Varrato lets Leslie Fisher retrieve this one. 10. When the pressure is on, D.D. Maddox concentrates on stopping the ball. 11. During practice, Coach Stetts peps up the j.v. team for their first game. (Photos by Albert and James)

VARSITY WRESTLING

Get down — take down

The varsity wrestling team did very well this year. The members of the team were very dedicated, and they had a great deal of self-discipline and endurance. The team was strong in experience and physically strong, too. It was this self-discipline and experience that took the team to zone and state.

Five varsity wrestlers went to state. The wrestlers who made it to state were Melvin Hicks, All Conference, Southern Zone Champion, and undefeated; Ron Moya, who took 3rd in zone; Sean Collins, who took 3rd in zone; Tom Geick, who took 4th in zone; and Kevin Ackerman, who took 3rd in zone. The team did a good job and were commended for their excellent performance.

1. Members of the varsity team, tired and exhausted, watch their teammates wrestle. 2. Attempting to gain control over his opponent is Solon Davenport. 3. Kevin Ackerman struggles to bring down his opponent. 4. Pinning his opponent with much ease is Tom Geick. 5. Sophomore, Sean Collins holds his opponent in a cradle position. 6. Final Takedown

This years Junior Varsity Wrestling team had a good season although the team seemed to have more potential than was shown. The team also suffered because of many injuries to fellow teammates. When a Varsity player is injured a junior varsity player is moved up to fill his position. The team is looking forward to an outstanding 1983 season, when the missing potential will be put to it's fullest.

1. Solon Davenport makes the final takedown. 2. Dave Bruin, Brent Herble, Chris Geick, Kevin Ackerman, Coach Mark Heter and Randy Reese show anxiety for the upcomming match. 3. GIRLS' GOLF

Taking a swing at it

The girls golf team did very well; they took second place in zone competition and third place in state competition. The girls took third place in state by a one stroke loss to Reno. With much confidence during the season the girls considered all their matches to be an easy victory except for their one loss to Bonanza High School during the regular season.

The girls worked hard to place second in their zone competition. According to Mrs. Schaefer, winning 9 out of 10 games was due to their outstanding talents in golf, their winning personalities, and their overall involvement in activities at Western High School. The girl's number one quality was their sportsmanship, and their ability to be very competitive.

1. On their way to hit a few balls are Luanne Romans, Satu Ruponen, Cindy Cambell, and Joan Racel. 2. Showing the correct style for setting up a shot is Kim Becker. 3. As Randi Varrato concentrates on making her putt, Michelle Thorne gets ready to remove the flag. 4. BREAKTHROUGH

Varsity Cheerleaders

Prove to be superior

The Varsity Cheerleaders are no doubt superior. During the summer they attended the USA Camp at Santa Barbara. After putting in hours of hard work and dedication, the Warrior Cheerleaders proved themselves when they brought back 28 ribbons and the superior trophy. Their ribbons were received at evaluation. They would learn a couple of cheers and would then be evaluated that night. The cheerleaders earned their money for camp by selling suntan lotion, candy, and pens. Our Varsity Cheerleaders could be found on the sidelines of football games, basketball games, and assemblies. They also had the honor of being invited to perform in the pre-race parade of the Grand Prix in which they performed their routine "Better Than Ever."

Songleaders

They've got rhythm!

Enthusiastic and outgoing, the 1981-82 Songleaders promoted school spirit at the many assemblies, games, and school activities. This award winning squad has been a great contribution to our school's outstanding spirit this year.

But what does it really take to be a Songleader? Last year, eight girls were chosen for the '81-'82 squad. They were judged according to their ability to kick, their sense of rhythm and their originality. Sore muscles, bruised knees, long and tiring practices, and a determination to be the best were a large part of this squad's success.

Their four hour daily practices last summer payed off when they went to NCA Camp at UCLA and performed extremely well, bringing home 32 Superior ribbons, the 1st place trophy for their home routine, and the highest award given — the NCA Spirit Award. Comprised of 4 Seniors and 4 Juniors, the Songleaders participated in many community activities, including marching in the Grand Prix Parade. This squad's pride has set an outstanding example for years to come.

1. Songs take time out to strike a pose at the Desert Inn. 2. The Warrior Songleaders kick up their heels. 3. Gazing at atheletes is one of Marie's favorite pastimes. 4. Cassaundra gets her kicks. 5. Concentration makes Mary the "perfect" Songleader. 6. The 1981-82 Songleaders are: Shelly McCormick, Cynthia Bunker, Nikki Chapman, Teresa McCoy (co-head), Marie Brown (head), Mary Canal, Cassaundra Lourenco, and Cindy Slight. 7. J.V. Cheerleaders

On the sidelines

The J.V. Cheerleaders for 1981 and 1982 were a most enthusiastic group. Thanks to the hard work of their advisor, Mrs. Drabant and the hard work of the girls, they definitely gave spirited support to our J.V. sports and students of Western. The girls worked hard by selling candles, candy and they also ran a concession stand at the Pop Warner football games. The J.V. Cheerleaders were made up of a group of talented individuals chosen from more than 60 girls. They practiced in earlybird and three times a week after school to form a united cheering squad. If you were to ask any of the girls what they received from being a J.V. cheerleader they would reply friendship and a good feeling knowing that they're a part of the "We" in Western.

1. The J.V. Cheerleaders use their skill and ability to mount in the assembly. 2. Flagtwirlers

Sparkling with spirit!!!

The flagtwirlers proved to be an important part in promoting school spirit this year. From their selling of Christmas ornaments and working at Pop Warner football games on Saturdays to their dazzling performances at halftime, the perky Warrior spirit of the flagtwirlers was always present. Coached by their outstanding advisor, Mrs. Drabant, the girls strived for perfection in their routines and had many fun times in the process. Mrs. Drabant commented on the close friendship and sisterly love that the girls have established between themselves. Sheri Glover, who was head flagtwirler, helped in keeping Mrs. Drabant a part of the gang. All of the girls feel very close to Mrs. Drabant. The hard work and devotion obviously paid off for the flagtwirlers, for they had a truly rewarding year.

Soulettes

"Better than ever!"

The Soulettes have been a part of WHS for ten years, but this year they're better than ever! With new uniforms and more participants, they have managed to instill a new spirit into Western. This year, as in the past, they have participated in parades and assemblies with a sense of school pride that is hard to beat. They've polished their dancing skills with before and after school rehearsals, and then performed their complex routines for us at assemblies. The Soulettes are definitely a part of the "WE" in Western.

1. A dazzling duo, Jackie Clay and Rhonda Fleming pair off to show us their dancing skills. 2. The Soulettes were responsible for generating much excitement at our pre-game assemblies. 3. The Soulettes practiced long hard hours to perfect thier dancing skills. 4. Adding a sense of spirit to our assembly, Jackie concentrates on this difficult routine. 5. Tall Flags

Ambition and spirit lives on!

Tall Flags have always played an important role in our Warrior spirit. The team practices every morning in order to prepare for their performance at the football games and pre-game activities. The Tall Flag team attended camp during the summer and also performed on October 14th in the halftime review at the Las Vegas Silver Bowl. The Tall Flag team has a bright future and their tradition and spirit at Western lives on.

A Change in pride

Band was engaged in many changes. The arrival of Mr. Swanson, the new director, was the big change. He was transferred from Las Vegas High, where he taught for two years. While plans for a jazz group and a combined concert band and choir was anticipated, the marching and pep band experienced a change in style and a remodeled room. Many of these changes were opposed; not for very long. Mr. Swanson hopes the changes he made helped to improve the degree of professionalism of the entire music department.

The returning officers were busy with much work. John Krantz, drum major, and Joan Racel, president, worked excessively to bring the band together. They made many unpopular decisions. As time passed, things fell into place. Soon, the pride returned and the backbone of the pride reached, once again, for its goals. There was no stopping them now.

Directions

Working hard to make it to the top

To sing, dance, and play music was the goal of thirty-three students in the pop group "Directions". This group practiced during their class period every day. The singers were under the instruction of Mr. Garoufes and the band members were under the instruction of a new teacher, Mr. Swanson. Mr. Garoufes has taught music for eleven years at Western and Valley and played in bands on the strip. Mr. Swanson has taught music for the past eight years at various high schools and junior highs. Ari Levin, a member of the group, commented that Mr. Swanson is more involved than his predecessor and that he wants to do more and he cares more.

Mr. Garoufes and the group members chose the songs they performed. They did exclusively pop music and raised money through their concerts. The students auditioned for the parts they wanted. They did solos and group numbers. Once the band and the singers knew their own parts, they got together and practised and perfected them.

Madrigals

Perfection: going strong

Just as athletes need to exercise and strengthen their bodies, singers need to exercise and strengthen their vocal cords. In Madrigals, warm-ups were done to learn control and to gain breath support.
With a new director, the Madrigal group got underway. This year, Mr. Garoufes rejoined the music department, after a short three year break. Mr. Garoufes majored in music in college and has been directing music for eleven years.
Madrigals sang a variety of music including choir, pop and the original madrigal music. They performed in the Christmas and the Spring Concerts and they worked hard to accomplish good marks in the annual music festival.

War Whoop

Has a new breakthrough

To be a good member of the War Whoop staff you must be dependable, talented and a hard worker, according to Mrs. Hughs the War Whoop advisor. This years staff is larger than in other previous years at Western, there are 55 members in all. The staff works endlessly to cover school events and feature stories in time for the monthly addition of the War Whoop.

The biggest breakthrough in the War Whoop this year was the change from the newspaper to the newsmagazine. The newsmagazine is more economical therefore, it has a wider variety of pictures, information and entertainment. All students and faculty at Western enjoy the new War Whoop.

1. Being a member of the War Whoop staff takes hard work but all the students agree that it's fun. 2. Working on the first addition of the War Whoop, Danny takes time to cut pictures for the newsmagazine. 3. The afternoon seems longer as Tracy works endlessly on her assignment. 4. Dedication and hard work goes along with being a good staff member. 5. The 1981-82 War Whoop staff members are: Lori Roberts, Dawn McDaniels, Lori Brummet, Mike Gayle, Danny McLeod, Richard Powell, Lisa Hendrix, Marty Williams, Tracy Ruyman, Luanne Romans, Pam Esplin, Bobby Cox, Laura Edwards. 6. Epitaph Staff

Puts it between the 'covers'

The 1981-82 yearbook staff has put much hard work into making this yearbook a success. Staying after school, coming in on Saturdays and holidays, going crazy trying to find pictures, and racking their brains for copy is all a part of being a member of the Epitaph Staff. Among these responsibilities the staff has to sell yearbooks, conduct interviews, and sell $200 worth of ads — EACH! With a new sales representative, Bill Milne (Mr. Bill), and the encouragement of advisor, Pam Gay, the yearbook has taken a drastic change inside its covers. The 1982 staff incorporated tool lines, a unique look for each section, "sticky letter" headlines in the opening section and on division pages, and more color than ever before to create what they believe to be the BEST in the WEST!

Wrestlerettes

Take down points for wrestlers

Wrestlerettes have been a super group for the wrestling team. Wrestlerettes have raised money to send the team on a trip to Squaw Valley, for better scoring equipment, and uniforms. To become a wrestlerette, girls must meet high standards during try-outs. The girls keep record on all games, keep score, cheer, and keep team statistics.

Soccer Bunnies

Get a kick out of soccer

Supporting the soccer team, returning out-of-bound balls, and raising money is what being a soccer bunny is all about. Fund raisers have contributed to uniforms for the team, a Christmas party, and soda-pops for the team. Membership in soccer bunnies is voluntary, as there are no tryouts. As a group soccer bunnies have been supporting their team for about six years.

Senators

United are We

The Senators this year were very productive. They worked hard and long hours to unite and support Western. They had many projects, one which was the kick-off Barbeque during Homecoming Week. This group of ten seniors, ten juniors, and ten sophomores, each elected by his classmates, tried to better the school atmosphere and spirit. They also helped pick the Student and Teacher-of-the Month, which was new this year to WHS. Working closely with Student Council, the Senators were successful in their activities, and in everything they did this year. Thus, setting a good example for years to come.

The 1981-82 Senators are: Sophomores: Teresa Tusing, Tara Turner, Lynnette Taylor, Marci Cooper, Cheri Johnson, Margaret Durrant, and Diane Acampora. Juniors: Sheila Matherly, Tina Gonzales, Karen Crites, Kenny Baker, Caron Morach, Chris Applegarth, Coleen Rux, and Leslie Fischer. Senior Cabinet

Senior Spirit Prevails

This year's Senior Cabinet was a group of wild and crazy Seniors. They worked very hard at making the 1981-82 school year the best ever. Spirited and enthusiastic, they dressed up differently for every assembly. Always participating in school activities, the Senior Cabinet had a voice that could be heard loud and clear.

Executive Board

Getting things organized

The Exeuctive Board worked hard to promote spirit at Western. The Executive Board, with help of student council, organized and planned Homecoming and the blood drive. The Executive Board authorizes student and club activities. The activities of the year that are approved by the Executive Board make the calendar of events for the school year. Four members, Anthony Arrington, Leslie Guilland, Tyrone Smith, and Karen Wright, participated in an informational convention for the student council officers of Nevada High Schools. The convention took place in Elko, Nevada. The people who attended learned leadership qualities, how to promote spirit, how to conduct pep rallies, and participated in state officer elections.

This year two groups of students were recognized for their outstanding achievements. Western was fortunate enough to have seven National Merit Semi-Finalists. All the Semi-Finalists had to score extremely well on the PSAT achievement test. Their scores represented Western on a national basis.

The other students who were recognized were chosen the outstanding leaders of Western and attended Boys and Girls state up in Reno, which consisted of seminars and speakers dealing with politics, law, and election procedures.

Sadie Hawkins

Girls capture their favorite guy

On November 21 roles were reversed and girls were put in charge. Over one hundred girls were able to steal their favorite guy for a night of dancin' and romancin'. Many couples were wed by Marryin' Sam (Mr. Dixon, of course) and pronounced husband and wife until the stroke of midnight. Sadie Hawkins royalty was announced with Gary Smith and Sherise Reber being elected as Li'l Abner and Daisy Mae. A night out in straight legs and flannel shirts proved to be one of the best nights of the year!!

1. While making a toast, Gary Smith and Sherise Reber celebrate their royalty as Li'l Abner and Daisy Mae. 2. With the dance floor full, Jay Balland and Michelle Gelhart decide to join in. 3. Human Relations

Putting 'Soul' into it!

Human relations was a group of dedicated students who worked to make Western better. With meetings twice a week until January, these students organized the Fashion Show and Dinner for Black History Week. Headed by President Loren Barber the Human Relations Club proved to be one of the best that has ever been at Western.

Black History Week

Proud to be me!

February is Black History Month in our state along with many other states across the nation. We, at Western, celebrate it to the hilt. At least three months in advance students start organizing and rehersing programs designed for this event. Their hard work and dedication all go into an assembly and fashion show in which both allow the participating students to show off their talents and to have an all around good time. Every year during Black History Week, the students at Western have a chance to express their feelings about Black History through their involvement. The participating students agree that it's an interesting project and lots of fun.

1. During the Black History Assembly these girls did a jazz dance to Dionne Warricks "The Letter". 2. Here, models are shown wearing summer sportswear from the Fashion Show. 3. Close-Up

Closes in on the Capital

The Close-Up Club consists of four participating students and their advisor, Ms. Sloan. The Close-Up Foundation, a non-profit organization, sponsors a trip for American Youth in high schools across the nation to visit the capital for the purpose of learning about our government. During the week of November 15-21 some 200 high school students from Nevada took part in this program. These students received an in-depth, behind-the-scenes viewing of our government. Our Close-Up Club was the first in Las Vegas to participate in this activity. This year 10 high schools from Las Vegas sent representatives on this trip. The students earned funds in many different ways. One, Luanne Roman, received a scholorship, others received donations from LasVegas Businesses. When the students arrived in Washington they were set on a tight schedule. They attended seminars everyday; some lasting from early morning until 7 and 8 in the evening. The students were able to converse with many of the political leaders that they learned about in their government classes. A good discription of their trip would be a crash course in a government class.

A.T.

WE are "AT" the top

The mark, A.T., was stamped on seventy-three student records. This title was given to these students because they were considered academically talented. The students were found to excell in their school work in junior high and grade school. They demonstrated leadership qualities and scored high on special tests.

The program gave these students a chance to explore the professional working world. The group planned a career seminar as they've done every April. Approximately twenty professional business-people were invited to join with parents and students in a rap session.

Special activities were planned to extend their view. A tour of the Spring Valley Health Center was taken in December. The students were able to talk to and observe some of the health professionals. A trip to the Omnimax at Ceaser's Palace was also taken. On this trip the students were able to observe the cameras and equipment used to project the movie.

The benefits received also included committee leadership abilities and schalorships. Money for the schalorships was made through a health food sale.

Mrs. Harney was the advisor of the program. She did much to encourage activities and ensure high curriculum classes.

National Honor Society

Working for tomorrow

National Honor Society is the only organization at Western whose membership is by invitation only. Its members are students who have maintained at least a 3.0 grade point average since their freshman year, are active in school and community service, and in their senior year. This year's Honor Society is one of the largest Western has had and one of the largest in the state. It's membership is over 70 members strong. Throughout the year they have raised money for scholorships and have worked on different community services.

1. Taking roll call is just one of the many duties Joan Racel does as secretary as she marks John Krantz and Jay Ballen present. 2. One of the most interesting speakers of the year has been Dr. Green of the County Coroners Office. 3. The main success behind this year has been NHS's officers Cyle Iverson, President; Joan Racel, Secretary; Suzanne Fahr, Liason Officer; and Richard Powell, Vice President. Not pictured is Laura Walsh Treasurer. 4. Getting Kim Isernhagen under the tree would be a neat gift, so Richard Powell decides to wrap her up. 5. Mr. Dorman, Stacy James, and Chris Lake find supervising a much easier job then wrapping gifts. 6. At the annual Christmas Wrap Kristi Richardson and Marie Brown find four hands are better than two for wrapping presents. 7. Collecting money is always fun even if you don't get to keep it. Treasurer Laura Walsh collects money from Anthony Arrington and Ethan Grimes. 8. Blood Drive

"WE" did it

This year's blood drive was different from previous years. It was a competition between the girls and the boys to see who would donate the most pints of blood. It was close, but the boys beat the girls by a score of 75 to 64, for a total of 139 pints donated to the Nevada Blood Services.

1. To increase his blood flow, Darryl Bowler squeezes a plastic tube. 2. Proving it can be done, Coach Bayne watches as he is stuck. 3. A volunteer shows Marci Ruben how to operate the hematron. 4. Con Feeley looks on as a Nevada Blood Service Volunteer tests his blood. 5. Since donating blood is such a tiring pastime, Joan Racel reclines with a book to relax. 6. Varsity Quiz

Brain power

Frustration, anticipation, and excitement are all emotions that members of the Varsity Quiz team go through during a match. On Tuesdays and Thursdays, advisors Ms. Burrough and Mrs. Slade helped quiz these illustrious people throughout the year. In order to raise money for scholarships and after-match parties, they sold Halloween Grams and WHS pens. On the air and off, the Varsity Quiz team epitomizes Western's academic standards.

1. Marlan Coe, Ethan Grimes, and Ben Habel express a variety of emotions when concentrating on the questions that are given. 2. The team lets loose after a strenuous match with Eldorado. 3. Photo Club

Focus on creativity

Through the Photography Club, many students learned how to process and print film as well as the techniques involved in taking action-packed pictures. While some of the members take pictures for the yearbook and newspaper, others concentrated on ways to raise funds for more complex equipment. Led by Paul Whiteman, President, and John Woodard, Vice-President, the Photography Club captured many exciting moments that "WE" experienced on film.

Ski Club

Prays for Snow

The Western ski club started their 1981-82 year in October without a snowflake in sight, but the members of the ski club had no doubt they'd be swooshing down the slopes by mid-winter. In order to raise money for their ski trips they held their annual drawing. Some of the winners recieved dinners, ski apparel, and a tennis racket. The ski club welcomes all new members, beginners or experts. Advisor, Mr. Armstrong says, "Ski club is for everyone, it's relaxing, it's a good social activity and it's exellent exercise.

International Club

Starts a new year

The International Language Club attracts all interested language students. The members of the club help the foreign exchange students meet people and adjust to their new school. This year the International Club was very successful in raising money by selling Thanksgiving grams. The club participated in other fund raising activites such as, car washes and health food sales. Their profits went toward field trips to foreign plays, shows, movies and their trip to Southern California. The club also proved to be successful when their entry won first place in the car division of the Homecoming parade.

Donkey Basketball

Faculty Kicks — !

On November 2nd, a Monday evening, donkeys trotted onto our Warrior court to engage in a reoccurring battle. The faculty again triumphed, defeating our undying heros, the lettermen. It was a close game, right down to the wire. But, oh well, maybe next year!

1. Which will throw Coach Calvin first, the donkey or Con Feely? 2. Mrs. Smith doesn't accept rejection easily. 3. Does Darren Christie make the shot? Coach Weible and Dave Duran look on anxiously. 4. Coach Pat "Pooh Bear" Hayden awaits next play. 5. What do you think, O.K. Bryant? 6. Tom Geick prays the shot is good. 7. Mr. "O" goes for another two points. 8. Coach Bayne shows sheer determination in getting the ball over Dave. 9. Looks like Coach Calvin is lying down on the job while Coach Heter tends his mule. 10. Bernard is a mean, lean, fighting machine. 11. Coach Reed tries to talk some sense into the mule. (Photos by: Albert & James — 2,3,5,6,7,8,9,12; J. Story — 1,4,10,11)

Christmas

Twas the week before Christmas

Once again it was Christmas time at Western and everyone was busy! On Tuesday, it was Christmas and Candy Cane Day; on Wednesday, Bells and Ribbons. A variety of toys could be seen running through the halls on Thursday, Toyland Day. And then, of course there was the Christmas assembly! It was led with spirited performances by the songleaders as reindeer, the varsity cheerleaders as elves, the flagtwirlers as gifts, the soulettes as children, and the J.V. cheerleaders as snowmen. On Friday, Warriors hopped from class party to party, stuffing themselves with goodies along the way. The lettermen sponsered a Christmas dance on Friday night, which proved to be a holiday success. "WE" had a very merry Christmas!

1. The Santas of '83 show their spirit! 2. The lettermen do their own routine, appropriately entitled "The Worm!" 3. 1981-82 Winter King, Al Lewis, receives a congratulatory hug from Marie Brown. 4. Varsity Cheerleaders bounce their way through a skit. 5 & 6. Songleaders prance their way into the assembly. 7. Kate Duberstein looks on in enjoyment! 8. Dressed as a present, Sally Rhoades performs at the assembly. 9. What pretty packages the Flagtwirlers make. 10. Juniors row out of the assembly. 11. Soulettes perform with added holiday spirit! 12. Christmas decorations such as these filled the Lettermen's Dance with spirit. 13. Live snowmen are a rare sight at Western High School. (Photos by Albert & James)

Warriors Smile On

Goofy grins, dazzling dimples

As the 1981-82 school year came to a close, many smiles were seen on campus.

Seniors smiled as they remembered the many exciting events of their last year. Sweeping the many Homecoming competitions, dominating the powder puff game, and the football team becoming the state runners-up were just a few events that highlighted the first part of their year. The Hawaiian Dance, Senior Ball, Senior Trip, and Graduation were also happy and fun-filled times for the Senior class.

Juniors were excited looking toward the future. Their smiles showed that they welcomed change in both their student body and class officers. In their smiles, they remembered doing "the worm" during an assembly. A few things that highlighted their year were the distribution of Homecoming grams, and the Sadie Hawkins dance.

Sophomores had the biggest smiles of all. They made new friends, and began to move up in the world. With their added spirit, all Warriors looked upon life with a big "Smile".

Pictured are: 1. Chris Jakobiak and O.K. Bryant. 2. Bobby Cox. 3. Cynthia Bunker. 4. Pat Mahoney. 5. Lisa Oram and Laura Cantu. 6. Marie Brown. 7. Leslie Guilland. 8. Margaret Scott. 9. Modeling Club

Sets fashions for the year

Modeling club has had its most successful year this year. The club consists of more than twenty-five members, all of whom participated in two fashion shows. The winter fashion show was held the week before Christmas vacation during both lunches. Their fashions for the show were provided by Casual Corner in the Meadows Mall. Every aspect of fashion was represented in the show. Those in attendence gained much fashion knowledge. The spring fashion show was held the week before spring break. It too, was a huge success. Modeling club has also held many successful fund raising events during the year.

Art Guild

New splash of colors

This year's art guild club has made a big splash at Western. They always make the school's events more colorful with a little help from their paint brushes, and art work. Their work can be admired on the school walls and around the gym, at Homecoming, and big games that are important to the school. All-in-all, the art guild helps to give the people at Western the school spirit that makes this such a good school.

1. Walt Jacobson, Tracy Sutherland and Laura Reno are a bit busy with their projects. 2. Laura Reno is camera shy, especially when it comes to showing off her fantastic art work. 3. Mr. Jacobson and art guild student, Laura Reno, put their heads together to think up some new subjects of art. 4. The students in this year's art guild club are: front row; Donna Clark, Laura Reno, Tracy Sutherland, top row: Kyle Thrower, Walt Jacobson, and John Curler. 5. ROTC in "WE"

Students today, generals tomorrow

"We are family" is what the 136 ROTC students say! The family is headed by Bill Meyer, LT. Col., USAF (retired), and Del Dolan, TSGT, USAF (retired), who have lead this honorable unit for 7 years. Among the honors is Honor Unit for Las Vegas, which puts them in the top 10% of the world; over 50% of scholarships that go to Western are given to ROTC members. Many of us see the members in their uniforms and we see them practicing their drills and we wonder why? Bill Meyers says 'because we stress making our students aware of their citizenship, responsibilities and one's own duty in a democratic society.' The program as a whole gives monetary and leadership advantages in a military service or academy, in college and civilian employment; a sense of honesty, impartiality, towards all people to become a better person.' But ROTC is also involved in community service. A new program has been started which allows an ROTC member to earn a school letter through community services. Bob Holmes and Chris Kiser have been the first to achieve this goal. While all of the students are outstanding, Billie Jo Edwards, Cadet Commander, Robert Holmes, and Sheri Brunett are among the highest achievers. ROTC is a group of students that will be able to face the challenge of life and win.

1. The ROTC colorguard led the Homecoming parade in a show of great pride. 2. Discussions, such as this one between Mark Pirisky and Kim Reed, help the units with their drills. 3. The commanding officers do an excellent job in leading the ROTC units. Hard work, Perfection, and responsibility are characterisitcs they all have. 4. The gas mask that Mike Lundberg is attempting to put on Col. Meyer is very amusing to Angie Jackson. 5. The camera doesn't scare Lisa Ireland, Scott Garrett, or Debbie Garlic, because they have pride. 6. A helicopter demonstration on the Warrior field is one of the many activities being sponsored by ROTC. 7. ROTC is more than marching and uniforms. They work very hard in the classroom. 8. Daily practice is a neccesity in order to perfect Western's ROTC drill teams. 9. Expressing leadership is an everyday thing for ROTC, directed by Del Dolan. 10. Perfection and self control is demonstrated well by Tom Pardue as he awaits inspection. 11. Billie Jo Edwards is ROTC's cadet commandor. 12. Col. Meyer is the leader of the fine ROTC units. Clubs on the go

F.T.A. is Future Teachers Association, and at Western there is such a club. They aren't seen much around the campus, but they're hard at work, expanding their knowledge of math, history, and science, so that one day they can be future teachers.

1. The Future teachers for Western are: top Anthony Arrington middle: Allen Cryts, Nancy Davis, Lynn Grant, Louann Roman, bottom Susan Lee, Rodney Turner, and Mark Spray. (Photo by Albert and James)

G.A.A. is the Girls Athletic Association. One may see all of these girls at Western High School. These girls carry on a tradition of loyalty, dedication, and excellance in sports. They are involved in tennis, swimming, golf, track, softball and all of the many sports at Western.

2. Back to front. row one: Tracy Dunn, Tony Gleeson; row two: Lisa Brower, Jennifer Melson, Mrs. Sylvia Tegano; row three: Mrs. Nancy Jelone, Jennifer Weston, Maria Sanches, Andrea Hughs; row four: Beth Perrey, Kim Lathen, Lynette Taylor, Kim Dennis; row five: Teresa Miller, Texanna Dennis, Rosy Browder, Jenny Miller, Mary Boland; row six: Barbra Agostini, Sherri Hughes. Chess Club

Check it out!

Chess — is it a sport or a mind game? At Western there has been a great controversy over the matter. Mr. Story who advises the chess club says that chess is no longer an intramural game. He believes that since there is an athletic letter available and since there are both varsity and junior varsity, that it is now considered a sport.

MR AMERICA

GEORGE EIFERMAN

MR UNIVERSE

I am a great believer in luck, and I find the harder I work the more I have of it.

TALENT
God Given — Be Humble
FAME
Man Given — Be Thankful
CONCEIT
Self Given — Be Careful

IGNORANCE IS NOT BLISS!

Probably the greatest discovery anyone can make is that we can change our life for the better, by changing our immature, negative attitude to MATURE, constructive attitudes. We live in the direction of our thought patterns. Let us have our attitudes work for us instead of against us.

Best of Health to You & Yours
from George Eiferman
Mr America, Mr Universe

THE TEN DAILY EXERCISES
By George Eiferman

1. A good eye exercise — see also the perfection in others. See the everlasting beauty in human kindness.
2. A good tongue exercise — speak from the heart instead of the mouth.
3. A good facial exercise — A smile often repeated.
4. Hearing exercise — When we speak we learn nothing. Listening is the teacher. Then speak.
5. Brain exercise — Think only constructive thoughts. Good reading is to the mind what exercise is to the body.
6. Leg exercise — Walk toward knowledge, wisdom, health and brotherhood of all men.
7. Breathing exercise — Inhale the great works of music, art, literature and Philosophy. Exhale spitefulness and other negative thoughts.
8. Strength exercise — Have the strength to endure when things are unendurable, to pass the next test after failing the recent one.
9. Heart exercise — Have the heart to "Constructively" improve Self, our Environment, Community and Country.
10. Soul exercise — We are never alone. Walk with God.

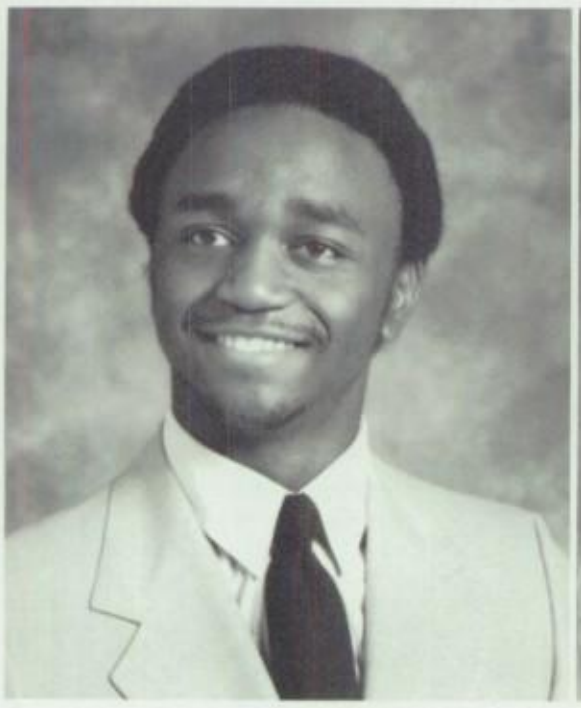
LOYALTY From the Western Warrior Student Body UNITY

Western High School's 1981-82 Student and Teacher of the Year



This year a new tradition broke into Western. Each month an outstanding student and teacher were honored for their participation and involvement in our school. During assemblies, each was awarded a plaque in recognition of his contributions. In addition, Anthony Arrington and Mr. Dorman were named Student and Teacher of the Year for their support of school activities. All photos by Albert and James.

BREAKTHROUGH

BREAKING

Those two words summed up most of the 1981-1982 school year. Old standards and traditions were broken through as new ideas took their place in fads, science, politics, sports, school, and life in general. Times got tougher, but we got stronger.

A new pride in Western was evident this year as our Warriors got involved in school activities. Red and blue were everywhere, from the decorations in the halls and paint in the parking lot to the traditional warpaint worn at games and assemblies. The new spirit rallied behind our football team, who beat the Valley Vikings to take Zone Championship, and then made it all the way to the State Competition.

On the entertainment scene, old hangouts, such as the Top of Sahara and Hyde Park were abandoned for the livelier atmosphere of Club Fantasia, and the unique Irish-Mexican restaurant, Carlos Murphy's. Sell-out concerts became common as first Journey, and then Foreigner sold out within hours. Rumours of the Rolling Stones coming to town created much excitement, but the show never materialized. Finally, skiers were delighted with the long-awaited snowfall which covered much of the Western United States this year and made a good season.

Some new pastimes caught on nation-wide this year and even made headlines. The Rubik's Cube, consisting of 54 brightly colored squares designed to rotate in all directions, drove many Americans crazy as they attempted to place the cube in its original pattern of nine squares on each side in the same color.

1981

THROUGH

Another pastime, video games, became extremely popular. Names like Pac Man, Defenders, and Asteroids became household words as video arcades sprang up everywhere for people to test their skills. The home-TV versions became just as popular, along with VCR's, satellite television stations, and cable TV.

In politics, the world was shocked as assassination attempts were made on Ronald Reagan and Pope John Paul II, and Anwar Sadat was killed. A new phrase, Reaganomics, was coined to describe the President's new financial policies. Many people were upset by the cutbacks in social programs and extra spending on the defense budget, but others called it necessary to the plan of achieving a balanced National Budget and lowering the National Debt. These changes, along with the lowered Income Tax Rate, and high inflation and unemployment, affected everyone.

With the coming of the World Class Grand Prix to Caesar's Palace, much excitement was generated, as with the Dodger's victory in the World Series, and the 49'ers triumph in the Super Bowl. And, in science, a special breakthrough was made in the area of space travel by the successful launchings of the United States' space shuttle, Columbia.

There were also many personal breakthroughs made by the Warriors at Western High School. New friends were made, tough decisions were handled, and discoveries about ourselves and our world broadened our outlook on life. These memories we share, and will be carried with us throughout a lifetime.

Epitaph Editors

As editors of the 1981-1982 Epitaph, we had a lot of fun. We had a great staff behind us in all of our crazy schemes. It was a great privilege working to make something special and memorable for the school. We really enjoyed bringing Western a new and different type of book. It was a lot of hard work, but well worth it. We hope the memories shared between Warriors in this book will be treasured forever. (Photo by Albert and James)

ACKNOWLEDGEMENTS

The Epitaph Staff expresses sincere appreciation to the following people for making a significant contribution to the 1982 Epitaph:

Albert and James Photographers for their professional service and patience;

Beth Ray and Jack McCarley of Bullock's Las Vegas for their fashion design and assistance;

Walt Jacobson and Art Guild for painting our "breakthrough" sign and designing the staff T-shirts;

Bill Milne of Hunter Publishing for his expert advice and enthusiasm;

Gary Morris of the Desert Inn Hotel and Country Club for allowing us to take pictures of our performing groups at this hotel;

Don Payne and Milt Palmer of the Las Vegas News Bureau for contributing photos on the "Las Vegas" spread;

Harriet Sellers for her banking assistance;

Jim Story and WHS photography students;

WHS Administration, Faculty, and Staff for their support and confidence.

Colophone: 1500 copies of the 1982 Epitaph yearbook were printed by Hunter Publishing Company in Winston-Salem, North Carolina. The paper stock for the first 16 pages is 100 pound gloss with the remainder of the book on 80 pound gloss. Type includes 12 point Snell Roundscript in the senior section, 12 point Caledonia Italic for senior parent messages, Avant Book #161 for the remainder of the book. Body copy is fully justified 10 point, captions are fully justified 8 point, folios in 10 point, and headlines are 24 point. All copy is 2 point leaded. Sports headlines and division page headlines were submitted as artwork by the Epitaph Staff. These are half inch and two inch Helvetica, respectively.

The grained, silk-screened cover is on 160 point Flexboard. Endsheets are blue parchtone. Spot color in the opening and on division pages is 100% red over, 100% yellow, and 100% blue. Senior portraits, underclass id's, and activity shots as identified by photo credits were taken by Albert & James Photography. The WHS photography class contributed other photos as identified.

The theme "breakthrough" was chosen by the editors to depict the important successes and significant advancements experienced by our community and school.

To Lisa:
A friend that
I have known for
a long time and only
recently have I realized
how valuable our relation
ship really is and gives
help when you most
away. I never told
you this, but I think
you as a
sister. OK well.
I love you as a
sister.
Yours
truly
Susie

Lisa:
nice knowin' you
in ROTC stay sweet, P.
keep in touch, and
Don't let me hug ya.
